Aspire E1-522

Quick Guide

Product registration

When using your product for the first time, it is recommended that you immediately register it. This will give you access to some useful benefits, such as:

- Faster service from our trained representatives.
 - Membership in the Acer community: receive promotions and participate in customer surveys.
 - The latest news from Acer.
- Hurry and register, as other advantages await you!

How to register

To register your Acer product, please visit www.acer.com. Select your country, click **PRODUCT REGISTRATION** and follow the simple instructions.

You will also be asked to register your product during the setup process, or you can double-click the Registration icon on the desktop.

After we receive your product registration, you will be sent a confirmation email with important data that you should keep in a safe place.

Obtaining Acer accessories

We are happy to inform you that Acer's warranty extension program and Notebook accessories are available online. Come and visit our online shop and find what you need at store.acer.com.

The Acer store is being progressively rolled out, and, unfortunately may not be available in some regions. Please check back regularly to see when it will be available in your country.
