Manual abstract:

) If required, an ALPINE dealer will readily provide you with a print out of the Owner's Manual contained in the CD-ROM. Please record the serial number of your unit in the space provided below and keep it as a permanent record. This symbol means important instructions. Failure to heed them can result in serious injury or death. @@@@Excessive volume levels that obscure sounds such as emergency vehicle sirens or road warning signals (train crossings, etc.) can be dangerous and may result in an accident. Doing so may result in an accident, fire or electric shock. (Check with your dealer if you are not sure.

Swallowing them may result in serious injury. Doing so may cause heat to build up inside and may result in fire.

Use for other than its designed application may result in fire, electric shock or other injury. Doing so may result in personal injury or damage to the product.

Failure to make the proper connections may result in fire or product damage. Never cut away cable insulation to supply power to other equipment. When drilling holes in the chassis for installation, take precautions so as not to contact, damage or obstruct pipes, fuel lines, tanks or electrical wiring.

Failure to take such precautions may result in fire. Bolts or nuts used for the brake or steering systems (or any other safety-related system), or tanks should NEVER be used for installations or ground connections. Using such parts could disable control of the vehicle and cause fire etc. Doing so may obstruct forward vision or hamper movement etc. This symbol means important instructions.

Failure to heed them can result in injury or material property damage. Return it to your authorized Alpine dealer or the nearest Alpine Service Center for repairing. When inserting the batteries, be sure to observe proper polarity (+ and) as instructed. Rupture or chemical leakage from the battery may cause fire or personal injury. The wiring and installation of this unit requires special technical skill and experience. @Be sure to use only the specified accessory parts. @@@@ this will prevent crimping and damage to the wiring. @@@@Press any button to turn power on. Press and hold SOURCE/ for at least 2 seconds to turn off the unit. A USB memory device may be connected to this unit.

@@@: The tracks are played back in random sequence. (CD) : Only files in a folder are played back in random sequence. (MP3/WMA/AAC) : The files are played back in random sequence. : Only a track is repeatedly played back. : Only files in a folder are repeatedly played back. @@@@: Only a song is repeatedly played back. Song Search mode : The selected song is played back. Others Search mode : Proceeds to the next hierarchy level.

@@When search is made during M. @@@@ Apple is not responsible for the operation of this device or its compliance with safety and regulatory standards.

Other trademarks and trade names are those of their respective owners. "Supply of this product only conveys a license for private, non-commercial use and does not convey a license nor imply any right to use this product in any commercial (i. e. Revenue-generation) real time broadcasting (terrestrial, satellite, cable and/or any other media), broadcasting/ streaming via internet, intranets and/or other networks or in other electronic content distribution systems, such as pay-audio or audio-on-demand applications. When making connections to the vehicle's electrical system, be aware of the factory installed components (e. Do not tap into these leads to provide power for this unit. When connecting the CDA-105Ri to the fuse box, make sure the fuse for the intended circuit of the CDA-105Ri has the appropriate amperage. Failure to do so may result in damage to the unit and/or the vehicle. When in doubt, consult your Alpine dealer.

The main unit must be mounted within 35 degrees of the horizontal plane, back to front.

* If the installed mounting sleeve is loose in the dashboard, the pressure plates may be bent slightly to remedy the problem. When your vehicle has the Bracket, mount the long hex bolt onto the rear panel of the CDA-105Ri and put the Rubber Cap on the hex bolt. For the screw *, provide a proper screw to the chassis installing location. @@@@To adaptive steering remote control interface box / An Schnittstellenbox für die adaptive Lenkrad-Fernbedienung / Vers le boîtier d'interface de la télécommande adaptative au volant To adaptive steering remote control interface box / An Schnittstellenbox für die adaptive Lenkrad-Fernbedienung / Vers le boîtier d'interface de la télécommande adaptative au volant To Bluetooth INTERFACE (KCE-400BT) (sold separately) / An Bluetooth INTERFACE (KCE-400BT) (separat erhältlich) / Vers l'INTERFACE Bluetooth (KCE-400BT) (vendu séparément) To Vehicle Display Interface / Zur Anzeigenschnittstelle des Fahrzeugs / Vers l'interface d'affichage du véhicule ISO Antenna Plug Antenna JASO Antenna Plug To USB memory or iPhone/iPod / An USB-Speicher oder iPhone/iPod / Vers la clé USB ou l'iPhone/l'iPod To vehicle phone / An das Fahrzeugtelefon / Vers le téléphone du véhicule To amplifier or equalizer / An den Verstärker bzw.
