Manual abstract:

WARNING MAKE THE CORRECT CONNECTIONS. Failure to make the proper connections may result in fire or product damage. **CAUTION HAVE THE WIRING AND INSTALLATION DONE BY EXPERTS.** The wiring and installation of this unit requires special technical skill and experience. **USE ONLY IN CARS WITH A 12 VOLT NEGATIVE GROUND.** (Check with your dealer if you are not sure. Be sure to use only the specified accessory parts. **DO NOT ALLOW CABLES TO BECOME ENTANGLED IN SURROUNDING OBJECTS.** Arrange wiring and cables in compliance with the manual to prevent obstructions when driving. Cables or wiring that obstruct or hang up on places such as the steering wheel, shift lever, brake pedals, etc.

Route the cables and wiring away from moving parts (like the seat rails) or sharp or pointed edges. This will prevent crimping and damage to the wiring. If wiring passes through a hole in metal, use a rubber grommet to prevent the wire's insulation from being cut by the metal edge of the hole. **DO NOT SPLICE INTO ELECTRICAL CABLES.** Never cut away cable insulation to supply power to other equipment.

Doing so will exceed the current carrying capacity of the wire and result in fire or electric shock. **DO NOT INSTALL IN LOCATIONS WITH HIGH MOISTURE OR DUST.** Avoid installing the unit in locations with high incidence of moisture or dust. Moisture or dust that penetrates into this unit may result in product failure. **DO NOT DAMAGE PIPE OR WIRING WHEN DRILLING HOLES.**

When drilling holes in the chassis for installation, take precautions so as not to contact, damage or obstruct pipes, fuel lines, tanks or electrical wiring.

Failure to take such precautions may result in fire. **PRECAUTIONS • Be sure to disconnect the cable from the (-) battery post before installing your DVE-5300G.** **Do not tap into these leads to provide power for this unit.** Failure to do so may result in damage to the unit and/or the vehicle. When in doubt, consult your Alpine dealer. **KEEP SMALL OBJECTS SUCH AS BATTERIES OUT OF THE REACH OF CHILDREN.** Swallowing them may result in serious injury. Doing so may obstruct forward vision or hamper movement etc. **Please contact your local VW dealer or service center for details.**

Use the pull out hooks 0 to remove the original equipped radio.
