**Manual abstract:**

0 port on your computer (not on your keyboard), using the cable that came with iPhone. To charge iPhone using a power adapter (available separately): 1 Connect the dock to a power adapter, using the cable that came with either iPhone or the power adapter. 2 Extend the electrical prongs, if necessary, and plug the adapter into a power outlet. To play music through external powered speakers: 1 Using an audio cable that has a standard 3. @@@@ 0 or 1. @@@@The symbol above means that according to local laws and regulations your product should be disposed of separately from household waste. When this product reaches its end of life, take it to a collection point designated by local authorities. Some collection points accept products for free. The separate collection and recycling of your product at the time of disposal will help conserve natural resources and ensure that it is recycled in a manner that protects human health and the environment. @@.
