Manual abstract:

We'd like to show you around. Let's get started When you start your MacBook Air for the first time, Setup Assistant will help you get going. Just follow a few simple steps to quickly connect to your Wi-Fi network, transfer your stuff from another Mac or a PC, and create a user account for your Mac. AC plug Let's get moving It's easy to move files like documents, email, photos, music, and movies to your new Mac from another Mac or a PC. @@@@Or, with Tap to Click enabled, simply tap the surface. @@Or, with Tap to Click enabled, double-tap the surface. Pinch to zoom Zoom in and out of photos and web pages more precisely by pinching your thumb and finger. Rotate Turn your thumb and finger clockwise or counterclockwise to rotate an image. Get to know your desktop The desktop is where you can find everything and do anything on your Mac. The Dock at the bottom is a handy place to keep the apps you use most.

It's also where you can open System Preferences, which lets you customize your desktop and other settings on your Mac. Click the Finder icon to quickly get to all your files and folders. The menu bar at the top has lots of useful information about your Mac. To check the status of your wireless Internet connection, click the Wi-Fi icon. @@@@All without docking or syncing.

@@@@Then sign in with your Apple ID and choose the iCloud features you want to use. An important note Please read this document and the safety information in the Important Product Information Guide carefully before you first use your computer. Learn more You can find more information, watch demos, and learn even more about MacBook Air features at www.apple.com/macbookair.

Help You can often find answers to your questions, as well as instructions and troubleshooting information, in Help Center. Click the Finder icon, click Help in the menu bar, and choose Help Center. @@You can also use Safari to get online help. @@@@Or call 1-800-275-2273. @@@@TM and © 2012 Apple Inc. All rights reserved. Designed by Apple in California. Printed in XXXX. @@@@Click anything to zoom in on it. @@Scroll up or down with two fingers on the trackpad.

Swipe right or left with two fingers to go back and forth between pages. Double-tap with two fingers to magnify a page, then double-tap again to return to the original size. Or pinch to zoom in or out. Mail Mail lets you manage all your email accounts from a single, ad-free inbox, even when you're not connected to the Internet. It works with most email standards—including POP3 and IMAP—and popular email services like Gmail, Yahoo! Mail, and AOL Mail.

@@@@@See all your calendars in a single window or choose to see only the calendars you want. Create and send invitations using contact info from your Address Book, then see who has responded. Use iCloud to update calendars on all your devices automatically or share calendars with other iCloud users. FaceTime FaceTime for Mac lets you talk face to face with anyone on an iPad, iPhone, iPod touch, or Mac—from your Mac. * To set up FaceTime, all you need is your Apple ID and email address.

To start a video call, just click an entry in your Address Book contacts list. iPhoto iPhoto is the best way to organize, browse, edit, and share your photos on your Mac. You can organize your photo library by Faces, Places, and Events. @@@@@@New apps install in one step to Launchpad. @@The Mac App Store lets you know when app updates are available, so you always have the latest versions.

Open the Mac App Store by clicking its icon in the Dock. Open Launchpad Click the Launchpad icon in the Dock. Folders Group apps in folders by dragging one app on top of another. Dashboard Located at the top left for easy access. Open Mission Control Click the Mission Control icon in the Dock.

Add desktop spaces Click the + button to the right of the top row to add a new space. Reading List Click the glasses icon to save pages to read later. Top Sites Get a quick overview of the sites you visit most often. Full-screen view Click the full-screen button to go full screen. One-stop email View all your accounts in Mail for one-click access. Conversation view See all the email messages from a conversation thread. Search Quickly narrow search results to find exactly what you want. iTunes Store Discover and buy new music, movies, and more. Genius Mixes Let iTunes search your music library and group songs that go great together. Multiple calendars Access all your calendars from one place.

Calendar view Select the view you prefer—day, week, month, or year. Add an event Double-click to create a new event. Favorites Add your frequent contacts to Favorites for easy access. Events Double-click any Event to browse photos. Faces iPhoto can even organize your photos based on who's in them. Create Create books, cards, and calendars.
