..... 140 8 Conventions used To highlight key information in this manual, some text are presented as follows: IMPORTANT! This message contains vital

information that must be followed to complete a task. **NOTE:** This message contains additional information and tips that can help complete tasks. **CAUTION!** This message contains important information that must be followed to keep you safe while performing tasks and prevent damage to your ASUS Tablet data and components. 9 Care and safety Guidelines Road safety comes first. We strongly recommend not to use your device when driving or operating any type of vehicle.

This device should only be used in environments with ambient temperatures between 0°C (32°F) and 35°C (95°F). Turn off your device in restricted areas where the use of mobile devices is prohibited. Always obey rules and regulations when in restricted areas, such as, in aircraft, movie theater, in hospitals or near medical equipment, near gas or fuel, construction sites, blasting sites and other areas. Use only AC adapters and cables approved by ASUS for use with this device. Refer to the rating label on the bottom of your device and ensure that your power adapter complies with this rating. Do not use damaged power cables, accessories, and other peripherals with your device. Keep your device dry. Do not use or expose your device near liquids, rain, or moisture. You can put your device through x-ray machines (such as those used in conveyor belts for airport security), but do not expose the device to magnetic detectors and wands. The device screen is made of glass.

If the glass gets broken, stop using the device and do not touch the broken glass parts. Immediately send device for repair to ASUS-qualified service personnel. Do not listen at high volume levels for long periods to prevent possible hearing damage. Disconnect the AC power before cleaning your device. Use only a clean cellulose sponge or chamois cloth when cleaning your device screen.

Send device for repair to ASUS-qualified service personnel only. 10 Proper disposal Risk of explosion if battery is replaced by an incorrect type. Dispose of used batteries according to the instructions. Do not throw your device in municipal waste. This product has been designed to enable proper reuse of parts and recycling.

The symbol of the crossed out wheeled bin indicates that the product (electrical, electronic equipment and mercury-containing button cell battery) should not be placed in municipal waste. Check local regulations for disposal of electronic products. Do not throw the battery in municipal waste. The symbol of the crossed out wheeled bin indicates that the battery should not be placed in municipal waste. **DO NOT** throw the device in fire. **DO NOT** short circuit the contacts. **DO NOT** disassemble the device. 11 12 CHAPTER 1 Get your Zen ready! Get your Zen ready! 1 Parts and features Take a hold of your device and have it up and running in a jiffy. Headphone jack Rear camera Memory card slot* Micro-USB connector Front camera Microphone Volume keys Touch screen Power/lock button Audio speaker **IMPORTANT!** Keep the device, particularly the touch screen, dry all the time. Water or other liquids can cause the touch screen to malfunction.

14 Installing a memory card Your ASUS Tablet supports a microSD™, microSDHC™, and microSDXC™ memory card with up to 64 GB of capacity. **NOTE:** Some memory cards may not be compatible with your ASUS Tablet. Ensure that you use only compatible memory cards to prevent loss of data, damage to your device, or memory card, or both. **CAUTION!** Be extra careful when handling a memory card. ASUS is not responsible for any data loss or damage incurred to your memory card. To install a memory card: 1. Orient your device as shown. 15 2. Align a memory card with its metal contacts facing up and insert it into the memory card slot. 3.

Push the memory card all the way into the slot until it is seated firmly in place. **NOTE:** After installing a formatted memory card, you can access its contents from File Manager > MicroSD. 16 Removing memory card **CAUTION!** • Be extra careful when handling a memory card. ASUS is not responsible for any data loss or damage incurred to your memory card. • Eject the memory card properly to safely remove it from device.

To eject the memory card, go to Home > All Apps > Settings > Storage > Unmount external storage. To remove a memory card: 1. Orient your device as shown. 17 2. Press the memory card to eject.

3. Pull out the memory card. 18 Charging your ASUS Tablet Your ASUS Tablet comes partially charged but you must charge it fully before using it for the first time. Read the following important notices and cautions before charging your device. **IMPORTANT!** • Use only the bundled AC power adapter and micro-USB cable to charge your ASUS Tablet. Using a different AC power adapter and cable may damage your device. • Peel off the protective film on the AC power adapter and micro-USB cable before using it with your device.

[You're reading an excerpt. Click here to read official ASUS MEMO
PAD HD 7 ME176CX-1A032A user guide
http://yourpdfguides.com/dref/5742990](http://yourpdfguides.com/dref/5742990)

• Ensure to plug the AC power adapter to a compatible power outlet. You can plug the AC power adapter to any compatible 100~240 V outlet. • The output voltage of the AC power adapter for this device is DC 5.

2 V, 1.35 A. • When using your ASUS Tablet while plugged-in to a power outlet, the power outlet must be near your device and easily accessible. • To conserve electricity, unplug the AC power adapter from the power outlet when not in use. • Do not place heavy objects on top of your ASUS Tablet. CAUTION! • While charging, your ASUS Tablet can become warm. This is normal, however, if your device becomes unusually hot, disconnect the micro-USB cable from your device and send the device, including the AC power adapter and cable to an ASUS-qualified service personnel. • To prevent any damage to your ASUS Tablet, AC adapter, or micro-USB cable. Ensure that the micro-USB cable, AC adapter, and your device are connected properly before charging.

19 To charge your ASUS Tablet: 1.

Connect the micro USB cable to the AC power adapter. 2. Plug the AC power adapter to a grounded power outlet. 3. Connect the micro USB cable to your ASUS Tablet.

IMPORTANT! • Charge your ASUS Tablet for eight (8) hours before using it in battery mode for the first time. • The status of battery charge is indicated by the following icons: Low Not Charging Charging Full 20 4. When fully-charged, disconnect the USB cable from your ASUS Tablet first before unplugging the AC power adapter from the power outlet. NOTES: • You can use your device while charging but it may take longer to fully charge the device. • Charging your device via USB port of a computer may take longer to fully charge the device.

• If your computer does not provide enough power for charging via USB port, charge your ASUS Tablet using the AC power adapter plugged to a power outlet instead. 21 Turning your ASUS Tablet on or off Turning your device on To turn your device on, press and hold the power button until your device vibrates and starts up. Turning your device off To turn your device off: 1. If your screen is turned off, press the power button to turn it on. If your screen is locked, unlock the device screen. 2. Press and hold the power button, then when prompted, tap Power off then tap OK. Sleep mode To put your device in sleep mode, press the power button once until the screen turns off. 22 First time use When you turn your ASUS Tablet on for the first time, Setup Wizard will guide you through the setup process. Follow the on-screen instructions to select your language, select input methods, setup your mobile network and Wi-Fi, sync accounts, and configure your location services.

Use your Google or ASUS account to setup your device, if you do not have a Google or ASUS account yet, go ahead and create one. Google Account Using a Google Account allows you to fully utilize these Android OS features: • Organize and see all your information from anywhere. • Automatically backup all your data. • Leverage Google services conveniently from anywhere. ASUS Account Having an ASUS Account gets you to enjoy the following perks: • Personalized ASUS support service and warranty extension for registered products. • Free 5 GB of Cloud storage space with an additional 11 GB for the first year of subscription. • Receive the latest device and firmware updates. NOTE: You can also use the Setup Wizard to reconfigure your device, any time at your convenience. From the Home Screen go to All Apps > Setup Wizard. 23 Battery power conservation tips The battery charge is the lifeline of your ASUS Tablet.

Here are some battery power conservation tips that helps preserve the power of your ASUS Tablet's battery. – When not in use, press the power button to put the device in sleep mode. – Activate Smart Saving in Power Saver app. – Set audio to Power Saving mode. – Decrease brightness of display. – Keep the speaker volume to a low level. – Disable Wi-Fi feature. – Disable Bluetooth feature. – Disable Miracast feature. – Disable GPS. – Disable the screen auto-rotate feature. – Disable all auto-sync features in your device. 24 CHAPTER 2 There's no place like Home There's no place like Home 2 Zen Home features Home screen Get reminders of important events, app and system updates, weather forecasts, and text messages from people who really matter to you, right from your Home screen. Swipe down this area to display System notifications Swipe down this area to display Quick settings Tap to open Voice Search Tap to open Google Search page Tap to display Time settings Tap to update Weather settings Tap to open All Apps screen Tap to open an app Swipe the Home screen to the left or right to display the extended Home screen 26 Understanding icons These icons are shown on the status bar and will guide you of the current status of your ASUS Tablet. This icon shows the signal strength of your Wi-Fi connection. This icon shows the battery status of your ASUS Tablet. This icon shows that a microSD card is inserted in your ASUS Tablet. This icon shows that you took screenshots of your ASUS Tablet. This icon shows that your ASUS Tablet is on Airplane mode. This icon shows that Wi-Fi hotspot of your ASUS Tablet is enabled.

This icon shows that Smart Saving mode is enabled. This icon shows that Silent mode is enabled. This icon shows the download status of an app or file. This icon shows downloaded apps and updates. 27 Managing your home Stamp your own personality to your Home screen. Select an attractive design as your wallpaper, add shortcuts for quick access to your fave apps, and add widgets for a quick review of important info. You can also add more pages so you can add and quickly access or review more apps or widgets on your Home screen. • To add items to home, tap and hold an empty area on your Home screen and select any of these categories: Apps, Widgets, Wallpaper, and Edit page. • To go through the pages of your Home screen, swipe left or right. 28 App shortcuts Add shortcuts to quickly access your often-used apps right from your Home screen.

To add an app shortcut: 1. Tap and hold an empty area on your Home screen and select Apps. 2. From All Apps, tap and hold an app, then drag it to an empty area on your Home screen. To remove an app shortcut: From your Home screen, tap and hold an app, then drag it to X Remove on the top of your screen. Widgets Add widgets for a quick review of your calendar, maps, battery status, and more. To add a widget: 1. Tap and hold an empty area on your Home screen and select Widgets. 2. From Widgets, tap and hold a widget, then drag it to an empty area on your Home screen. To remove an app shortcut: From your Home screen, tap and hold a widget, then drag it to X Remove on the top of your screen. NOTE: You can also tap on your Home screen to view All Apps and Widgets.

Device 4. Follow the succeeding onscreen instructions to import contact/s. 45 Exporting contacts Export your contacts to any of the storage accounts in your ASUS Tablet. 1. Tap 2.

Tap 3. then tap **Contacts**. > **Manage contacts** > **Import/export** then tap **Export to storage**. Tap to select the contacts from the following accounts: a. All contacts b. E-mail c. Device 4. Follow the succeeding onscreen instructions to export contact/s. 46 CHAPTER 4 Stay in touch with Omlet Chat Stay in touch with Omlet Chat 4 Omlet Chat Omlet Chat is an online messaging app that lets you chat with your friends on the spot, send multimedia messages, and store your data on any of your Cloud accounts securely and privately. NOTE: Omlet Chat app may only be available in some countries.

Registering to Omlet Chat There are two ways to register to Omlet Chat, via mobile phone number and e-mail account or Facebook account. Registering your mobile phone number Use your mobile phone number to sign in to Omlet Chat. To register your mobile phone number: 1. Tap then tap Omlet Chat app. 2. On the Sign in page, select your country and key in your mobile phone number then tap **Next**. Omlet Chat app sends a text message containing the PIN to proceed with the registration. 3. Key in the PIN then tap **Next**. 4.

Key in your name then tap **Get Started**. 5. If you want Omlet Chat to automatically update your friends from your contacts list, tap **Okay! Let's do it!** If you want to add your friends manually, tap **No thanks**. NOTES: • A series of screens appear for the app's introduction. Follow the onscreen instructions until Omlet Chat main screen appears.

• Omlet Chat app can only add contacts with Omlet chat installed to their devices. 6. On the Omlet Chat main screen, tap **START CHAT** then select a contact that you want to chat. 48 Registering your e-mail or Facebook account Use your e-mail or Facebook account to sign in to Omlet Chat. To register your e-mail or Facebook account: 1.

Tap then tap Omlet Chat app. 2. On the Sign in page, tap **Connect a different account here** to select an account from Email or Facebook, then follow the succeeding onscreen instructions. • If you select Email, key in your e-mail account then tap **Next**. Omlet Chat app will send a confirmation message to your e-mail account. If you select Facebook, Omlet Chat app will take you to Facebook to log in to your Facebook account. 3. Key in your name then tap **Get Started**. 4. If you want Omlet Chat to automatically update your friends from your contacts list, tap **Okay! Let's do it!** If you want to add your friends manually, tap **No thanks**.

NOTES: • A series of screens appear for the app's introduction. Follow the onscreen instructions until Omlet Chat main screen appears. • Omlet Chat app can only add contacts with Omlet Chat installed to their devices. 5. On the Omlet Chat main screen, tap **START CHAT** then select a contact that you want to chat.

49 Sending Omlet invites To add contacts to Omlet Chat, you need to send an invite to your friends to download and use Omlet Chat. To send Omlet invitation: 1. Tap **Contacts** on the Omlet Chat menu. 2. From the **Add contacts** screen, tap **Invite a friend** then select from following options: • • • Invite an Email or Phone number.

Key in the mobile phone number or e-mail of your friend then tap **Go**. Invite Facebook friends. Tap to log in to your Facebook account. Invite address book friends. Tap to invite friends from the contacts list of your e-mail.

3. Omlet Chat app gathers the contacts of your account. After selecting the contacts, follow the onscreen instructions to complete the operation. • • For Facebook app, tick to select the contacts, then tap **Send**. For address book, tick to select the contacts, then tap **SEND INVITES**. 50 Using Omlet chat Send text and multimedia messages for a fun, creative, and interactive conversation. To start conversation, tap **Contacts** from the Omlet Chat menu then tap the contact name. Sending a chat message To send a chat message, key in your message in **What's up** field then tap **Sending a voice message** To send a voice message, tap and hold while saying your message then release to send. . 51 Sending a virtual sticker To send a virtual sticker, tap then select from the available virtual stickers. > NOTE: You can download more virtual stickers from **Sticker Store**. To download the virtual stickers, tap then tap . Sending multimedia messages From the chat thread, tap then select from these icons to send a specific multimedia message. Tap to send a picture from your ASUS Tablet. Tap to launch Camera app and send the captured picture Tap and hold an app then tap **Pin it!** to add to the list of apps in Omlet Chat.

Tap to create a sticker from a saved picture. Tap to search GIF files in the Internet and send the GIF file to your message thread Tap to send your current address with a map snippet Tap to edit and send a photo. Tap to create and send drawings or doodles. Swipe up the screen shown above to view these icons: Tap to send polls/ surveys Tap to share a picture for a limited time. Tap to search and send video clips from YouTube™. 52 CHAPTER 5 Access your emails Access your emails 5 Email Add Exchange, Gmail, Yahoo! Mail, Outlook.com, POP3/IMAP accounts so you can receive, create, and browse emails right from your device. You can also sync your email contacts from these accounts to your ASUS Tablet. IMPORTANT! You must be connected to the Internet so you can add an email account or send and receive emails from added accounts. Setting up an email account To set up an email account: 1. From the Home screen, tap **Email** to launch the Email app. 2. Tap the mail provider you want to setup. 3. Key in your email address and password and tap **Next**.

NOTE: Wait while your device automatically checks your incoming and outgoing mail server settings. 4. Configure the Account settings such as inbox checking frequency, sync days, or notification for incoming emails. When done, tap **Next**. 5.

Key in an account name that you want to be displayed in the outgoing messages, then tap **Next** to log into your inbox. 54 Adding email accounts To add other email accounts: 1. From the Home screen, tap **Email** to launch the Email app. 2. Tap > **Settings**, then add an email account. 3. Tap the mail provider you want to setup.

[You're reading an excerpt. Click here to read official ASUS MEMO PAD HD 7 ME176CX-1A032A user guide](http://yourpdfguides.com/dref/5742990)
<http://yourpdfguides.com/dref/5742990>

4. Follow the succeeding instructions to complete setting up your new email account. NOTE: You may also refer to steps 3 to 5 in the Setting up an email account section of this manual to complete this setup process.

55 Gmail Using the Gmail app, you can create a new Gmail account or synchronize your existing Gmail account so you can send, receive, and browse emails right from your device. Setting up a Gmail account 1. Tap Google then tap Gmail. 2. Tap Existing and key in your existing Gmail account and password, then tap . NOTES: • Tap New if you do not own a Google account. • When signing in, you have to wait while your device communicates with Google servers to setup your account. 56 3. Use your Google account to backup and restore your settings and data. Tap [right arrow icon] to sign in to your Gmail account. IMPORTANT! If you have several email accounts aside from Gmail, use Email app to set up and access all your email accounts. 57 58 CHAPTER 6 Capture moments Capture moments 6 Launching the Camera app Capture images and record videos using your ASUS Tablet's Camera app. Refer to any of the steps below to open the Camera app. From the lock screen Drag down until the camera app is launched. From the home screen Tap Camera.

From the All Apps screen Tap then tap Camera. Using the volume key While your ASUS Tablet is on sleep mode, double-click the volume key to wake it up and immediately launch the Camera app. NOTE: Before using the volume key to launch the Camera app, enable this function from Settings > Lock screen, then slide Instant camera to ON. 60 Using Camera for the first time After launching the Camera for the first time, two consecutive features appear to help you get started: Tutorial and Image locations. Tutorial If it is your first time to use your ASUS Tablet's camera, you will encounter the following tutorial screen after launching the Camera app.

Refer to the following steps to proceed from this screen. 1. On the Tutorial screen, tap Skip if you want to skip viewing or Start to view the basic tutorial about using Camera. 2. After tapping either of these options, you will then proceed to the Image Locations screen. Image Locations After going through the Tutorial screen, the Image Locations screen appears to help you create automatic location tags for your images and videos. Refer to the following steps to proceed from this screen: 1. On the Image Locations screen, tap No thanks to proceed to the camera screen or Yes to set up location tagging for your captured images and videos. 2. Slide Location Access to ON to enable the location tagging feature.

3. Tap Agree on the next screen to fully enable the feature and proceed to the Camera screen. 61 Camera home screen Tap the icons to start using your camera and explore the image and video features of your ASUS Tablet. Apply image effects Switch between the front and rear cameras Adjust settings Use advanced camera settings Zoom in or zoom out See the gallery Use Turbo Burst* Take photos Record videos NOTE: *The Turbo Burst feature may vary per model. 62 Image settings Adjust the appearance of your captured images by configuring your camera's settings using the steps below. IMPORTANT! Apply the settings first before taking images. 1. On the camera's home screen, tap > . 2. Scroll down and configure the available options.

Image Configure the image quality using these options. 63 Shoot mode Set your shutter speed to Timer mode or change the Burst speed under this option. Focus & Exposure Enable Touch auto-exposure or Face detection under this option. 64 Video settings Adjust the appearance of your recorded videos by configuring your camera's settings using the steps below. IMPORTANT! Apply the settings first before taking images.

1. On the camera's home screen, tap > . 2. Scroll down and configure the available options. Image Configure the video quality using these options. Focus & Exposure Enable Touch auto-exposure under this option. 65 Advanced camera features Explore new ways of capturing images or videos and make captured extra special moments using the advanced camera features of your ASUS Tablet. IMPORTANT! Apply the settings first before taking images. Available features may vary per model. Time Rewind After selecting Time Rewind, your shutter starts taking burst shots two seconds before you actually press the shutter button. As a result, you get a timeline of images where you can choose the best image to save on your Gallery. NOTE: The Time Rewind feature can only be used on the rear camera. Capturing Time Rewind photos 1. From the Camera app's home screen, tap 2. Tap 3.

Tap > Time Rewind. or the volume key to start capturing photos. . Using the Time Rewind viewer 1. After pressing the shutter, the Time Rewind viewer appears onscreen on top of a captured photo. Rotate the button on the viewer to browse through the photos you just took. NOTE: Tap Best to view the best photo suggestion from the timeline. 2. Select a photo then tap Done to save it to Gallery. 66 HDR The High-dynamic-range (HDR) feature allows you to take more detailed images for low-light and highly contrasting scenes.

HDR is recommended for use when taking images on brightly lit locations, helping balance out the colors produced on your image. Capturing HDR photos 1. From the Camera app's home screen, tap 2. Tap 3. Tap > HDR.

or the volume key to start capturing HDR photos. . Panorama Capture images from various angles using Panorama. Images captured from a wide angle perspective are automatically stitched together using this feature. Capturing panoramic photos 1.

From the Camera app's home screen, tap 2. Tap 3. Tap > Panorama. or the volume key then pan your ASUS Tablet to the left or right to capture the scenery. . NOTE: While panning your ASUS Tablet, a timeline of thumbnails appears on the lower part of your screen as it captures the scenery. 4. Tap when finished.

67 Night Take well-lit photos even on night time or on low-light situations using the Night feature of your ASUS Tablet. NOTE: Keep your hands steady while before and while the ASUS Tablet is capturing the image to prevent blurry results.

Capturing Night photos 1. From the Camera app's home screen, tap 2. Tap 3. Tap > Night. or the volume key to start capturing Night photos. . 68 Selfie Take advantage of your rear camera's high megapixel specs without worrying about pressing the shutter button. Using face-detection, you can set your ASUS Tablet to detect up to four faces using the rear camera then automatically capture your selfie or group selfie. Capturing Selfie photos 1. From the Camera app screen, tap 2.

Tap 3. Tap > Selfie. to choose how many people should be included in the photo. . 4.

Use the rear camera to detect faces and wait for your ASUS Tablet to start beeping, counting down until it captures the photo. 5. The Time Rewind viewer appears onscreen on top of a captured photo.

[You're reading an excerpt. Click here to read official ASUS MEMO PAD HD 7 ME176CX-1A032A user guide](http://yourpdfguides.com/dref/5742990)
<http://yourpdfguides.com/dref/5742990>

Rotate the button on the viewer to browse through the photos you just took. 6.

Select a photo then tap Done to save it to Gallery. 69 Smart remove Eliminate unwanted details immediately after capturing the image using the Smart remove feature. Capturing Smart remove photos 1. From the Camera app screen, tap 2. Tap 3. Tap > Smart remove. or the volume key to start capturing photos that can be edited using Smart remove. . 4. The following screen shows the photo you captured and any removable objects which you may want to delete from it.

5. Tap to remove the detected objects or to delete the photo and go back to the Camera app. All Smiles Capture the perfect smile or the wackiest facial expression from a range of photos using the All Smiles feature. This feature lets you take five consecutive photos after pressing the shutter button, automatically detecting faces on the image for comparison. Capturing All smiles photos 1. From the Camera app's home screen, tap 2. Tap 3. Tap > All smiles. @@. 5.

Follow the onscreen instructions to select your best photos. @@@@ to start capturing photos that can be transformed into GIF animation.

@@@ or the volume key to start capturing macro photos. @@@ Tap > Time lapse. to start taking Time lapse videos.

@@@@ Launch Camera then tap 2. Tap > OK. @@@@ From the main screen, tap . 2. Tap any of the following source locations to view their respective files.

IMPORTANT! Internet connection is required for viewing photos and videos under My cloud photos and Friends photos. 79 Sharing files from the gallery To share files from the gallery: 1. From the Gallery screen, tap the folder where the files you want to share are located. 2. After opening the folder, tap to activate file selection. 3. Tap the files you want to share. A check mark appears on top of the image you select. 4. Tap then select from the list where you want to share the images.

Deleting files from the gallery To delete files from the gallery: 1. From the Gallery screen, tap the folder where the files you want to delete are located. 2. After opening the folder, tap to activate file selection. 3. Tap the files you want to delete. A check mark appears on top of the image you select. 4. Tap . 80

Editing an image The Gallery also features its own image editing tools that you can use to enhance images saved on your ASUS Tablet.

To edit an image: 1. From the Gallery screen, tap the folder where the files are located. 2. After opening the folder, tap the image you want to edit. 3. Once the image is opened, tap it again to show its functions. 4. Tap to open the image editing toolbar. 5. Tap any of the icons on the editing toolbar to apply changes to the image.

Zooming in/out the thumbnails or an image From the Gallery screen or your selected image, spread apart your fingers on the touchscreen panel to zoom in. To zoom out, bring your fingers together on the touchscreen panel. 81 82 CHAPTER 8 Work hard, play harder Work hard, play harder 8 Supernote Turn note-taking into a fun and creative activity that syncs with your mobile data using Supernote. This intuitive app allows you to create notes organized per notebook by directly writing or drawing on the touchscreen. While creating notes, you can also add multimedia files from other apps and share them via social networks or your Cloud storage account. Tap to select the input mode Tap to undo the change made Tap to redo the change made Tap to configure the settings for the notebook 84 Understanding icons Depending on your selected input mode, these icons appear as you take down your notes on SuperNote. Select this type mode when you want to use the onscreen keyboard to enter your notes. Select this write mode when you want to scribble or write your notes. Select this draw mode when you want to create drawings or doodles. When in write or type mode, tap this icon to select text weight and color.

When in draw mode, tap this icon to select the drawing tool to use, and the stroke color or size. When in draw mode, tap this icon to erase some contents in your notes. Tap this icon to take a photo or video, record audio, add timestamp and more to your notes. Tap this icon to add a new page to your notebook. 85 Creating a notebook To create new files using Supernote, refer to the following steps: 1. Tap > Supernote. 2. Tap Add a new notebook. 3. Name the file and select Pad or Phone as the page size.

4. Select a template and start writing your notes. Sharing a notebook on the Cloud You may share your notebook on the Cloud using the following steps: 1. On the Supernote home screen, tap-and-hold the notebook you would like to share. 2.

In the pop-up screen, tap Enable cloud sync. 3. Input your ASUS WebStorage account's User name and Password details to proceed with syncing your notebook to the Cloud. 4. Once the notebook has been successfully synced to the Cloud, the Cloud icon appears on top of the shared notebook.

Sharing a note to the Cloud Aside from your notebook, you may also share individual notes from your Supernote to your Cloud storage account. To do this: 1. Launch the notebook that contains the note you want to share. 2. Tap-and-hold the note you want to share. 86 3. In the pop-up screen, tap Share then select the type of file format you want to share it as. 4. In the next screen, select the Cloud storage account where you would like to share your note. 5.

Follow the succeeding instructions to complete sharing your selected note. Calendar The Calendar app enables you to keep track of important events using your ASUS Tablet. Along with creating events you may also add notes, set reminders, or create a countdown notice to ensure you don't forget these important occasions. Creating an event from your ASUS Tablet 1. Tap > Calendar. 2. Tap New Event to start creating a new event. 3. In the New event screen, input all the necessary details of your event. 4.

Once finished, tap Done to save and exit. 87 Adding an account to Calendar Aside from creating an event logged on your ASUS Tablet, you can also use Calendar to create events that get automatically synced with your online accounts. But first, these accounts must be added to Calendar using the following steps: 1. Launch Calendar. 2.

Tap > Accounts. 3. Tap the account you want to add. 4. Follow the succeeding onscreen instructions to complete adding the new account to Calendar.

Creating an event from your account After adding online accounts that you would like to sync with Calendar, you may now use your ASUS Tablet to create notifications for those online accounts by following these steps: NOTE: Your online account must already be added to Calendar before you can proceed with the following steps. You may refer to the Adding an account to Calendar section in this e-manual for more details. 1. Tap > Calendar. 2. Tap New Event to start creating a new event. 3. In the New event screen, tap My Calendar to view all the accounts currently synced with the Calendar. 4. Tap the account where you would like to create a new event.

[You're reading an excerpt. Click here to read official ASUS MEMO PAD HD 7 ME176CX-1A032A user guide](http://yourpdfguides.com/dref/5742990)
<http://yourpdfguides.com/dref/5742990>

5. In the New event screen, input all the necessary details of your event. 88 What's Next Do not miss out on important events, having fun out in the sun, or getting messages/emails/calls from your favorite people. Set up your calendar of events, Favorites and VIP groups, or weather update settings to get alerts and reminders of what's next. View your What's Next alerts from the Lock screen, Systems Notification panel, and What's Next widget or app. If you're using What's Next for the first time, you would have to set up your calendar account or use the Calendar app in your ASUS Tablet. NOTES: • Set up your favorite contacts and VIP groups to receive alerts for missed calls and unread messages or emails from people who matter to you. • Get details on creating your calendar of events from the Calendar section. • Learn how to get weather updates from the Weather section. 89 Do It Later Get hold of even the most trivial things in your busy life.

Even when you're too busy, reply to your emails, SMS messages, calls, or read news online at your convenience. Mark your unread messages or emails, interesting web pages, and missed calls as Reply Later, Read Later, or Call Later items. These marked items will be added to your Do It Later tasks, and you can act on these tasks at a convenient time. NOTES: • Popular third-party apps that support Do It Later include Google Maps, Google Chrome, Google Play, YouTube, and IMDb. • Not all apps can share and add tasks to Do It Later.

Accessing or creating to-do tasks When you've previously set a message or email as Reply Later, or a call as Call Later, or a web page as Read Later, you can go back to these important message/email/call/web page on the Do It Later app. To access your to-do tasks: 1. From the home screen, tap , then tap Do It Later from All Apps. 2. Select the task that you want to act on.

To create a new to-task: From the Do It Later screen, tap , then proceed to create your to-do task. 90 Weather Get real-time weather updates straight from your ASUS Tablet using the weather app. Using Weather, you can also check other weather details from around the world. Weather app launcher 91 Weather home screen Tap this to configure the Weather settings. Tap this to search for weather information from other cities. Swipe down to see other weather information. 92 Clock Customize the time zone settings of your ASUS Tablet, set alarms, and use your ASUS Tablet as a stop watch using the Clock app. Launching Clock Launch the Clock app using either of the following options: • From your ASUS Tablet's home screen, tap the digital clock display. • Tap > Clock. 93 World Clock Tap to access the world clock settings of your ASUS Tablet.

Tap this to set your clock on night mode and access the settings of the world clock feature. Tap this to view the list of cities marked on your world clock. Tap this to add a new city to mark on your world clock's map. 94 Alarm clock Tap to access the alarm clock settings of your ASUS Tablet. Tap this to access the settings of the alarm clock feature. Tap this to delete any of the previously set alarms. Tap this to set a new alarm time. 95 Stopwatch Tap to use your ASUS Tablet as a stopwatch. Tap this button to start running the stopwatch feature. 96 Timer You may set multiple timer options for your ASUS Tablet.

To do this, follow the steps below: Setting the timer 1. Tap to access the timer feature of your ASUS Tablet. numeric keypad 2. Use the numeric keypad to input your target time then tap start to start the timer. 97 Adding or deleting timer settings You may also add new timer settings or delete existing ones that you no longer need.

To do any of these options, refer to the following steps: 1. Tap to access the timer feature of your ASUS Tablet. 2. If you previously created a timer setting, these would appear on your Timer home screen. You may delete or add new timer settings using the icons on your Timer home screen.

Tap this to create a new timer setting. Tap this to delete the previously set timer. 98 File Manager Using File Manager allows you to easily locate and manage your data on the internal storage of your ASUS Tablet and its connected external storage devices. Accessing the internal storage To access the internal storage: 1. Tap 2. Tap > File Manager. > Internal storage to view the contents of your ASUS Tablet then tap an item to select. 99 Accessing the external storage device To access the external storage device: 1. Insert the microSD card into your ASUS Tablet. NOTE: For more details, refer to the Installing a memory card section in this user guide.

2. Tap 3. Tap > File Manager. > MicroSD to view the contents of your microSD card. 100 Accessing Cloud Storage IMPORTANT! Enable Wi-Fi on your ASUS Tablet to view files from Cloud Storage. To access files saved on your cloud storage accounts: 1. Tap 2. Tap > File Manager. then tap a cloud storage location under Cloud Storage. 101 102 CHAPTER 9 The Internet The Internet 9 Browser Your browser's clean and intuitive Zen interface makes it easier to surf web contents at a fast page loading speed via its Chrome-based browser engine.

It also lets you share or email web contents, as well as send it as a read later task. Launching Browser from the lock screen Drag down until the Browser app is launched. Launching Browser from the home screen From the home screen, tap . Sharing a page Go to page that you want to share, then tap . • To share a page, tap Share page, then select the account or app where you want to share the page to.

• To send a page for later reading, tap Read later. The page is added as a to-do task in your Do It Later app. NOTES: • Ensure that your ASUS Tablet is connected to a Wi-Fi or mobile network. • If you connect to a mobile network, charges may apply based on your network plan. • Refer to section Connecting to a Wi-Fi network for details.

• Access your to-do tasks from the Do It Later app on All Apps. 104 CHAPTER 10 Fun and entertainment Fun and entertainment 10 Using headset Have the freedom to do other things while you're in a call or enjoy listening to your favorite music, using a headset. Connecting audio jack Insert the 2.5mm headset jack into the audio port of your device. WARNING! • Do not insert other objects into the audio jack port. • Do not insert a cable with electric power output into the audio jack port. • Listening at a high volume for long periods can damage your hearing. NOTES: • We highly recommend to use only compatible headsets or the bundled headset with this device. • Unplugging the audio jack while listening to music automatically pauses the music played. • Unplugging the audio jack while watching a video automatically pauses the video playback.

106 Audio Wizard AudioWizard allows you to customize the sound modes of your ASUS Tablet for a clearer audio output that fits actual usage scenarios.

122 Configuring the other screen security features Aside from the mode of screen lock, you can also do the following on the Screen security window: ••• Quick Access: Slide the Quick Access switch to ON to launch apps on the lock screen. What's Next widget: Slide the What's Next Widget switch to ON to show the said widget on the lock screen. Owner info: Tap this to edit and key in the information that you want to appear even when your screen is locked. 123 124 CHAPTER 12 Connect your Zen Connect your Zen 12 Wi-Fi The Wi-Fi technology of your ASUS Tablet gets you connected to the wireless world. Update your social media accounts, browse the Internet, or exchange data and messages wirelessly with your ASUS Tablet.

Enabling Wi-Fi To enable Wi-Fi: 1. Tap on the Home screen then tap Settings app. 2. Slide the Wi-Fi switch to the right to turn on the Wi-Fi. NOTE: You can also enable the Wi-Fi from Quick Settings screen. Refer to section Quick Settings on how to launch Quick Settings screen. Connecting to a Wi-Fi network To connect to a Wi-Fi network: 1. On the Settings screen, tap Wi-Fi to display all detected Wi-Fi networks. 2. Tap a network name to connect to it.

For a secured network, you may be prompted to key in a password or other security credentials. NOTES: • Your ASUS Tablet automatically reconnects to the network that you connected with previously. • Turn off Wi-Fi feature to help save battery power. 126 Disabling Wi-Fi To disable Wi-Fi: 1. Tap on the Home screen then tap Settings app. 2. Slide the Wi-Fi switch to the left to turn off the Wi-Fi. NOTE: You can also disable the Wi-Fi from Quick Settings screen. Refer to section Quick Settings on how to launch Quick Settings screen. Bluetooth® Use the Bluetooth feature of your ASUS Tablet to send or receive files and stream multimedia files with other smart devices over short distances.

With Bluetooth, you can share your media files with your friends' smart devices, send data for print with a Bluetooth printer, or play music files with a Bluetooth speaker. Enabling Bluetooth® To enable Bluetooth: 1. Tap on the Home screen then tap Settings app. 2. Slide the Bluetooth switch to the right to turn on the Bluetooth.

NOTE: You can also enable the Bluetooth from Quick Settings screen. Refer to section Quick Settings on how to launch Quick Settings screen. 127 Pairing your ASUS Tablet to a Bluetooth® device Before using the Bluetooth feature of your ASUS Tablet in full scale, you have to pair it first with the Bluetooth device. The ASUS Tablet automatically stores the pairing connection of the Bluetooth device. To pair your ASUS Tablet to a Bluetooth device: 1.

On the Settings screen, tap Bluetooth to display all available devices. IMPORTANT! • If the device that you want to pair is not in the list, ensure to enable its Bluetooth feature and is discoverable. • See the user guide that came with your device to learn how to enable its Bluetooth and set it to discoverable. 2.

Tap SEARCH FOR DEVICES to scan for more Bluetooth devices. 3. In the list of available devices, tap the Bluetooth device that you want to pair with. Follow the succeeding instructions to complete the pairing. NOTE: Turn off Bluetooth feature to help save battery power. Unpairing your ASUS Tablet from the Bluetooth® device To unpair your ASUS Tablet to a Bluetooth device: 1.

On the Settings screen, tap Bluetooth to display all available and paired devices. 2. In the list of paired devices, tap of Bluetooth device that you want to unpair, then tap Unpair. 128 PlayTo PlayTo app lets you screencast your ASUS Tablet to a streaming-supported display. Doing this allows an external display to become a dual monitor or second screen to your ASUS Tablet. IMPORTANT! Your external display must have Miracast™ or DLNA® technology to support PlayTo app. Launching PlayTo There are two ways you can use to start using PlayTo from your ASUS Tablet: From Quick settings 1. Setup the streaming-supported display you want to use with your ASUS Tablet. 2. Launch Quick settings on your ASUS Tablet then tap PlayTo.

3. Refer to the SSID shown on your streaming-supported display and select the same SSID on your ASUS Tablet to start pairing. Once the connection is made, your streaming-supported display shows the same content currently shown on your ASUS Tablet. From Settings 1. Tap > Settings.

2. Under Wireless & networks, tap More... then tap PlayTo.

3. Refer to the SSID shown on your streaming-supported display and select the same SSID on your ASUS Tablet to start pairing. Once the connection is made, your streaming-supported display shows the same content currently shown on your ASUS Tablet. 129 The Cloud Back up your data, sync files among different devices, and share files securely and privately via a Cloud account such as ASUS WebStorage, Drive, OneDrive, and Dropbox. ASUS WebStorage Register for or sign in to ASUS WebStorage and get up to 5GB of free cloud storage account. Automatically upload newly captured photos for instant sharing, sync files among different devices, or share files via your ASUS WebStorage account. NOTE: To the enjoy auto-upload function, enable Instant Upload from Settings > Instant Upload in your ASUS WebStorage. 130 CHAPTER 13 App essentials App essentials 13 Switching apps When you've launched several apps on your Zen, you can easily switch between your recently-launched apps. Tap to view your recently-launched apps. • Tap an app to view it.

• To remove an app, simply swipe it to the left or right. Locking apps Secure your apps from unauthorized use with a 4-12 digit password. To lock your apps: 1. From All Apps, tap > Lock. 3. Enter a password containing 4-12 digits, then tap OK. To change the password of your locked apps: 1. From All Apps, tap > Lock app settings. Enter your password when prompted. 2.

Tap Change password, and enter your old and new password. 132 Downloading apps Download tons of apps and games from Play Store directly to your ASUS Tablet. Some of the apps and games are free, others you may need to purchase using a credit card or other payment form. To download apps: 1. Tap Play Store from your Home screen.

2. Follow the onscreen instructions to sign in to your existing Gmail account. If you don't have a Gmail account, please create one. 3. After successfully signing in, you can start downloading an app from Play Store.

133 134 CHAPTER 14 There's more to your Zen There's more to your Zen 14 Power saver Fully maximize or extend the power of your ASUS Tablet even when it is idle or while it stays connected to your network. Smartly customize the power settings for your frequent activities such as reading emails or watching videos. Setting up Power Saver Maximize, optimize, or customize the power of your ASUS Tablet with some smart power saving options. To set up Power Saver: 1. From All Apps, tap Power Saver. 2. Slide Smart saving to ON.
