**Manual abstract:**

4" FLIP-DOWN MONITOR WITH IR TRANSMITTER AVM2104 OPERATING INSTRUCTIONS PLEASE RETAIN MANUAL FOR FUTURE USE AND REFERENCE The Audiobahn Way To bring the product to market that excites the consumer through sound and vision from an orientation of integrity and customer service. We make you look as good as you sound. We strive to take car audio to an extreme the world has never seen, and a world that never stops evolving. Audiobahn was established in 1997 with one long-term goal in mind, "Build it Bigger, Badder, & Better, and the people will take notice!" We back this statement with an engineering team that has brought home several Innovations, Design & Engineering Showcase Awards, and a marketing team from around the world that spends countless hours developing our no compromise products to satisfy the most discriminating enthusiasts. @@@@Our Technical Department and entire staff look to strive above and beyond the rest of the pack by going that extra mile to help you out. Whether you happen to be a veteran competitor, or a beginner car audio enthusiast who does not know a voice coil from a spider. We are all here to help you get the best system you can with what you have. Judge for yourself, and remember what it's all about, "If it's not Bigger, Badder & Better, it's not Audiobahn." If audio is your life, Audiobahn is the brand for you! We make you look as good as you sound. People never stop trying to get the best product, so we will never stop making it. \*To learn more about "TEAM AUDIOBAHN" please give us a call, see our website at website at www.audiobahn.com, or email us at team@audiobahn.com to learn about all the details. Here at Audiobahn Inc. we are devoted to making our musical reproduction the very best, and we are pleased you have chosen our product. Through years of engineering expertise, hand craftsmanship, and critical testing procedures, we have created a wide range of products that reproduce music with all the clarity and richness you deserve. For maximum performance we recommend you have your Audiobahn product installed by an Authorized Audiobahn Dealer, as we provide specialized training through our Audiobahn Installer Training Programs. Please read your warranty, keep your receipt, and original carton for possible future use.

To get a free brochure on Audiobahn products in the US call (714) 988-0400 or e-mail us at sales@audiobahn.com. WARNING Continuous exposure to sound pressure levels over 100dB may cause permanent hearing loss. High powered autosound systems may produce sound pressure levels well over 135dB. Need we say more! Use common sense. If after reading this manual you still have questions regarding your product, we recommend that you see your nearest Audiobahn Dealer. A list of Authorized Audiobahn Dealers can be found on our web page. @@@@The model number can be located on the outside of the carton. @@@@It is very important that users follow these safety rules. @@@@--- This may cause electric shock.

@@@Do not use in bathtub. Do not pull the plug with wet hands. @@@@The product should not come in contact with rubber or vinyl for a long period of time. ---The surface of the product may change and paint may peel off. If you find any strange occurrences or malfunction in the product or any foreign substance gets into the product, please contact the authorized retailer where you purchased the product. Do not use the product in the following locations. ---This may cause malfunction. In direct rays of the sun and near heating products High in humidity and with bad ventilation Dusty or oily locations Low temperatures Unstable environment Before Using The Monitor To safely use the product, please read the user's manual carefully before use. Connect all lines as directed in the product connection map in the manual. Do not touch the LCD panel.

O O Use the product at the temperature range of -15 C ~ 60 C . Screen may be a little dark when the product is operated in low temperature areas. Screen will show normal luminosity after a few minutes. Do not disassemble and modify the product in any way. This may cause fire and/or electric shock. When you install the product in a car, do not set a volume level too loud for others to hear outside. When you install the product in a car and watch TV, the car engine should be running as there might occur excessive discharge of the car battery. Any liquid leaking into product may cause malfunction. Precautions (when you use the product in a car) The driver should not use the product while he/she is driving. Quality of pictures on screen may vary depending on the radio field strength in different locations.

You should use video equipment where you experience weak radio field strength. Follow traffic laws when you use the Navigation Route System. Be cautious of humidity and shock when you use the product in a car. The product should not be placed on the dashboard or near engine Cover the product when exposed to direct rays of the sun for a long period of time. @@@@Do not use the power amplifier unmounted. @@Do not mount the systems will be made).
