Manual abstract:

Laser beams from the optical pickup are dangerous to the eyes. @@ If you have parked the car for a long time in hot or cold weather, wait until the temperature in the car becomes normal before operating the unit. Keep the volume at a level at which you can hear outside warning sound (horns sirens, etc.). DO NOT open covers and do not repair yourself. Consult the dealer or an experienced technician for help. Never watch video in the front when driving to prevent the violation of laws & regulations and also to reduce the risk of traffic accident. Operate the unit correctly according to the manual instruction to prevent unnecessary problem. Contents Disc Notes Playing a defective or dusty disc can cause dropouts in sound. Hold discs as illustrated. Do not touch the unlabeled side. Do not attach any seal, label or data protection sheet to either side of a disc. Do not expose a disc to direct sunlight or excessive heat. Wipe a dirty disc from the center outward with a cleaning cloth. Never use solvents such as benzine or alcohol. This unit cannot play 3-inch (8 cm) discs. Never insert a 3-inch disc contained in the adapter or an irregularly shaped disc. The unit may not be able to eject it. Safety Precautions ..

Note: To provide a clear demonstration and an alternative for easy understanding of the operation of this unit, graphic illustration was used. However, this illustration is not necessary printed as the actual image found on the unit.
