Please read the use instructions carefully before first use. If the cord is damaged, take the charging unit to an Oral-B Braun Service Centre. A damaged or non-functioning unit should no longer be used. This product is not intended for use by children under age three. This appliance is not intended for use by children or persons with reduced physical, sensory or mental capabilities, unless they are supervised by a person responsible for their safety. @@@@

Do not place or store the charger where it can fall or be pulled into a tub or sink. Do not place the charger in water or other liquid. Do not reach for a charger that has fallen into water. Do not disassemble the product except when disposing of the battery. When taking out the battery for disposal, use caution not to short the positive (+) and negative (-) terminals.

Do not insert any object into any opening of the appliance/charger. Do not touch the power plug with wet hands. When unplugging, always hold the power plug instead of the cord. Use this product only for its intended use as described in this manual. Do not use attachments which are not recommended by the manufacturer.

If you are undergoing treatment for any oral care condition, consult your dental professional prior to use. A Brush head (depending on model/ interchangeable) B On/off switch C Handle D Charging unit Specifications For voltage specifications please refer to the bottom of the charging unit. Your toothbrush has a waterproof handle, is electrically safe and designed for use in the bathroom. Plug the charging unit (D) into an electrical outlet. A full charge takes 16 hours and enables approximately one week of regular brushing (twice a day, 2 minutes).

For everyday use, the handle can be stored on the plugged-in charging unit to maintain the toothbrush at full power. overcharging is impossible. However for environmental reasons, Oral-B recommends to unplug the charging unit until the next recharge is required. Battery maintenance To maintain the maximum capacity of the rechargeable battery, unplug the charging unit and discharge the handle by regular use at least every 6 months. The toothbrush can be used with any leading brand of toothpaste. To avoid splashing, guide the brush head to your teeth before switching the appliance on (B). @@@@ brush at least 2 minutes to thoroughly remove plaque. Do not press too hard or scrub. @@@@ Multiangled bristles clean between teeth and along the gumline. @@@@ We do not recommend using the Oral-B 3DWhite brush head with braces.

Dentists recommend replacing any toothbrush every 3 months. @@ a). @@C), you are exerting too much pressure on teeth and gums. @@In general, bleeding should stop after a few days. Should it persist after two weeks, please consult your dentist or dental hygienist. After use, rinse the brush head for several seconds under running water with the handle switched on (II). Then switch off the handle and take off the brush head. Rinse both parts separately under running water (III) and wipe them dry. From time to time, also clean the charging unit with a damp cloth (IV). Subject to change without notice. this product contains rechargeable batteries. In the interest of protecting the environment, please do not dispose of the product in the household waste at the end of its useful life. Disposal can take place at an Oral-B Braun Service Centre or at appropriate collection points provided in your country. guarantee We grant 2 years guarantee on the product commencing on the date of purchase. Within the guarantee period we will eliminate, free of charge, any defects in the appliance resulting from faults in materials or workmanship, either by repairing or replacing the complete appliance as we may choose.

This guarantee extends to every country where this appliance is supplied by Braun or its appointed distributor. @@@@For UK only: This guarantee in no way affects your rights under statutory law. För miljöns skull rekommenderar dock Oral-B att man drar ut kontakten till laddningsenheten till nästa laddningstillfälle. .
