SAP® is a registered trademark of SAP AG in Germany and/or other countries. @@@@Crystal Reports Viewer 2008 can be installed on Mac or on Windows. @@Refer to the release notes for the workaround. Installing Crystal Reports Viewer 2008 side-by-side with another version of the Crystal Reports Viewer is not supported. Installing or upgrading Crystal Reports Viewer 2008 on Windows You have two options to install or upgrade Crystal Reports Viewer 2008 on a Windows platform: the installation program or the silent mode. If you already have a version of Crystal Reports Viewer 2008 installed, you will be prompted to upgrade to a new version. To install or upgrade on Windows using the installation program

1. Double-click Crystal Reports Viewer 2008.exe to launch the installation. The program automatically detects the locale of your machine and runs the installation in the language that corresponds to that locale. a. If you see a product upgrade dialog box, click Next to continue with the install. 2.

Review the License Agreement, select "I accept the License Agreement", and then click Next. Crystal Reports Viewer 2008 Installation Guide 3 Crystal Reports Viewer 2008 Installation Guide Installing or upgrading Crystal Reports Viewer 2008 on Windows Note: If a third-party software product has been given the default .rpt file association, you will be prompted to reset the file association to Crystal Reports Viewer 2008. You will not be prompted if Crystal Reports 2008 (or another version of Crystal Reports designer) is the default for the .rpt file association.

3. Click Next in the "Start Installation" dialog box to begin the installation of the Crystal Reports Viewer 2008. Wait while the appropriate files are installed and the necessary configuration is carried out. At the end of the installation, the program creates an association between the viewer and any .rpt files found on your machine (only if no other association for .rpt files exists). 4. Clear the checkbox for "Start the Viewer Now" If you do not want to launch the Crystal Reports Viewer immediately after you complete the installation. 5. Click Finish to complete the installation.

To install or upgrade on Windows using the silent mode Systems administrators and/or other individuals performing silent installs must do one of the following: · Accept the End-User License Agreement (which can be accessed with the following URL:

<https://www.sdn.sap.com/irj/scn/go/portal/prtroot/docs/library/uuid/a0e228ac-da00-2c10-5994-a52762019b41>) on behalf of the end-users and warrant that you have the authority to do so. @@@@2. 3. 4. Click Start, point to Settings, and then select Control Panel. Double-click Add/Remove Programs. Select Crystal Reports Viewer 2008 and click Remove.

@@@Double-click Crystal Reports Viewer2008.dmg. A dialog box displays the progress of the disk image mounting. @@3. @@A copy-progress dialog box appears.

Once copying is complete, the Applications directory is displayed. @@4. @@A loading banner for the viewer appears. 5. @@@@2. Click Applications > Utilities > Terminal. 3. Type in the command to go to your home directory: cd ~. 4. Delete the hidden .crv2008 folder by typing the command: rm -rf .crv2008. 5. Exit the terminal.
