An MFP in its simplest form

imageRUNNER 2202

you can

22 PPM MONO
5 LINE LCD DISPLAY
253 SHEETS PAPER CAPACITY, SIZE UP TO A3
EXTENDED LANGUAGE SUPPORT
LOCAL PRINTING
COMPACT DESIGN
ENERGY EFFICIENT

Black and white copying, with local printing and scanning – ideal for cost-conscious individuals and small workgroups.

Flexible multifunctional

- Basic copying at a speed of 22 ppm (A4), with support for formats up to A3.
- Print and scan via USB cable gives access to a simple multifunctional solution.
- Users can also scan, to read and save documents, using the smart MF ToolBox desktop application, with formats including searchable PDF (DCR).

Designed with cost-conscious environments in mind

- Canon's toner and long life drum technology allows devices to run longer without the need to replace consumables as often.
- Compact design means the device can fit seamlessly into offices where space is a premium.
- Easily placed on a desktop as well as on the floor with the optional bin pedestal.

User friendly operation

- Simple and easy to use 5-line display.
- Quick access to frequently used settings via the Favorite settings button.
- Extended language support for function menus and print drivers which gives users the possibility to navigate in their own language, including Arabic, Turkish or Russian.*

Out of the box solution

- Quick installation.
- Easy set-up guide accessible from the display takes the user through the necessary steps.
- First toner is included allowing the device to be used straight away.

Energy efficient

- Class-leading TEC ratings.
- Energy consumption as little as 2 watts in sleep mode.
- Rapid recovery from sleep mode with Canon's on-demand fusing technology.
- ENERGY STAR qualified.
