SmartLF SC36/SC42 Xpress
you can

The SmartLF SC36 and SC42 Xpress capture accurate technical images and colour graphics up to 42" wide*. With fast, intuitive operation and a space-saving design, they're ideal for busy environments.

Key Features

- Versatile scanning - capture documents up to 111.7mm (4 1/4") wide x 0.08" (2mm) thick
- Precision image capture - up to 30 scans up to 9600 dpi with SmartWorks Pro
- Zero warm-up time - SingleSensor imaging technology provides instant on scanning
- Maximize productivity - 15 inches per second (ip) / 380W / 1.2ips color scanning at 200dpi
- Flexible operation and placement - two document paths with front/rear exit, revised to front or an optional document return guide
- Minimize downtime - USB 3.0 for fast data transfer
- Easy operation - the intuitive touch screen is ideal in busy environments
- ENERGY STAR compliant - powers down when idle to conserve energy
- Low TCO - LEDs have an estimated life of 50,000 hours
