HP 2-Megapixel Autofocus Webcam for Notebook PCs Datasheet

Enjoy live video conferencing. Get this small and stylish webcam and share your photos or videos.

- Get HD video quality with a sharp and focused image
- Easily pan your webcam to show what you want
- Take full advantage of your broadband access
- Plug and play connection for ease of use

Features & Benefits:

- True 2-Megapixel sensor with Autofocus in a small and stylish webcam: get HD video quality and keep the image always sharp and focused.
- Unique notebook clip: stable, secure and easy to clip, our adjustable notebook clip design works on more notebooks.
- Tilt and Pan: easily adjust your webcam to let you show what you want while maintaining a stable connection to your notebook PC.
- HP Instant Chat button: just click one single button to automatically launch your preferred instant Messaging program* and your webcam controls (Magic-i).
- ArcSoft Magic-i: enhance your video conferencing experience with fun special effects. Magic-i also keeps all your webcam controls in one application and allows you save up to 3 user profiles so you are loading good whenever you use your webcam.
- Compatible with AM™, Windows® Live Messenger, Skype®, and Yahoo!® Messenger.
- Certified high-speed USB 2.0: take full advantage of your broadband access and enjoy up to 30 frames per second for smooth and natural body motion.
- Integrated microphone and plug and play USB connection for easy installation and ease of use. And your webcam comes with a free headset for better sound and more privacy.
- Privacy cover: switch the privacy cover when you don't want to be seen. The colored shade helps you identify if the privacy cover is on or off.
- Comprehensive software included: capture, edit and share short videos with ArcSoft Video.
- Impression, capture photos with HP Image Capture, and edit and retouch photos with HP Photosmart Essential.

What's in the Box:

- CD with webcam drivers ArcSoft VideoImpression, ArcSoft Magic-i, HP Image Capture and HP Photosmart Essential software
