Manual abstract:

From side by side fridges with automatic ice and water dispensers to top mount and bar fridges in a wide range of styles and sizes there is a model to suit your requirements. Daewoo is also a leading developer of environmentally friendly design to safeguard our families and our future. Nano Silver technology repels bacteria and other microbes, keeping food fresher, longer. The air curtain system maintains temperature when the door is opened. Cool air is distributed equally to keep the temperature the same throughout the freezer. (FRS-U20DCW/S & FRS-2411S) Homebar: Access food and drinks without loss of temperature. .
