Manual abstract:

Clean only with dry cloth. Do not block any ventilation openings. 9. Use only with the cart, stand, tripod, bracket, or table specified by the manufacturer, or sold with the apparatus. When a cart is used, use caution when moving the cart/ apparatus combination to avoid injury from tip-over. 12. Unplug this apparatus during lightning storms or when unused for long periods of time. Servicing is required when the apparatus has been damaged in any way, such as power-supply cord or plug is damaged, liquid has been spilled or objects have fallen into the apparatus, the apparatus has been exposed to rain or moisture, does not operate normally, or has been dropped. 14. Batteries shall not be exposed to excessive heat such as sunshine, fire or the like. To completely disconnect this product from the mains, disconnect the plug from the wall socket outlet. The mains plug is used to completely interrupt the power supply to the unit and must be within easy access by the user. Allow for sufficient heat dispersion when installed in a rack. Keep the unit free from moisture, water, and dust. Unplug the power cord when not using the unit for long periods of time. Do not let foreign objects into the unit. Never disassemble or modify the unit in any way. Do not expose the unit to dripping or splashing fluids. Do not handle the mains cord with wet hands. When discarding the unit, comply with local rules or regulations. For proper heat dispersal, do not install this unit in a confined space, such as a bookcase or similar enclosure. Do not place any other equipment on this unit. AUTO SETUP AUDYSSEY AUTO SETUP STEP3 Measurement Please place the microphone at ear height at 2nd listening position. Les subwoofers peuvent mesurer une distance constatée plus grande que la distance réelle du fait du retard électrique commun aux subwoofers. Ambient noise is too high or Level is too low Vous pourrez également l'utiliser pour commander à distance la ZONE2 (une autre pièce). ENTER Enter RETURN Cancel Set use of surround back ch.
