PRODUCT FEATURES

The Power Stand is a multi-functional stand that gives you the ability to charge all your controllers while keeping your PS3 Slim stable in a vertical position. You can charge up to 2 SIXAXIS™ or DUALSHOCK®3 controllers, 2 PlayStation®Move motion controllers and 2 PlayStation®Move navigation controllers right on the stand. All docks are designed to securely fit their respective controllers and even have cutouts for wrist straps. It also has 4 powered USB ports built in to connect to the PS3 and charge other USB powered devices including controllers, headsets, mobile phones, keyboards and other accessories. The Power Stand includes a 110 / 240 Volt AC adapter to allow for charging anytime even when the PS3 is powered off. And it has a submersized finish for that look and feel you will not get with any other stand.
