**Manual abstract:**

*If a defect covered by this warranty occurs, dreamGEAR, at its option, will repair or replace the product purchased at no charge. If a replacement is necessary and your product is no longer available, a comparable product may be substituted at the sole discretion of dreamGEAR. This warranty does not cover normal wear and tear, abusive use or misuse, modification, tampering or by any other cause not related to either materials or workmanship.*

*1. Slide the bottom swivel towards the back of the Power Up. Make sure that the mini-USB plug is placed completely in the port.*

*NOTE: Pressing the button on the back will show the battery charge LEDs located on the front of the Power Up. This indicates how much battery life the Power Up has. Sleep Mode: When the controller is fully charged, the Power Up will go into Sleep Mode after one minute of inactivity.*

*You can charge both the Power Up and controller simultaneously by plugging the charging cable into the top of the Power Up.*
