**PACKAGE CONTENTS:**

- Shadow 6 Wireless Controller
- USB Receiver
- Charging Cable
- User's Guide/Warranty Card
- Registration Card

**CHARGING SHADOW 6 WIRELESS:**

1. The Shadow 6 Wireless controller features an internal rechargeable battery. To charge the Shadow 6 Wireless, use the included USB charge cable or your original Sony USB charge cable.
2. Connect the mini USB cable to the mini USB port located on the top of the Shadow 6 Wireless controller.
3. Connect the standard USB plug to any available port on your PlayStation 3 game console. Your PlayStation 3 must be powered "ON" in order for the Shadow Wireless to charge. The DG/PS3 menu button will flash to indicate charging has begun. When the controller is fully charged, the LED will become solid.

***NOTE:** You can also charge Shadow Wireless from any powered USB port.*

**SHADOW 6 WIRELESS SET-UP:**

1. Connect the included USB receiver to any available USB port on the PlayStation 3 game console.
2. Press the connect button on the USB receiver. The receiver LED will flash rapidly.
3. Press the DG/PS3 menu button. The LED on the receiver and controller will become solid when the controller is properly synced to the PlayStation 3.

**CHARGING WHILE PLAYING:**

The Shadow Wireless controller can be charged during game play.

1. To charge the Shadow Wireless during game play, both the USB charge cable and USB receiver must be connected to your PlayStation 3 game console.
2. To play and charge your Shadow Wireless controller, please follow the previous charge and set-up portion of this User's Guide.

***NOTE:** The Shadow 6 Wireless is compatible with all games that feature the SIXAXIS icon. Please refer to your software user's guide.*

**TROUBLESHOOTING:**

**Problem:** The Shadow 6 Wireless is not connecting/flashing.  
**Solution:** Connect the charge cable to re-charge the Shadow 6 Wireless.

**Problem:** The Shadow Wireless controller does not function properly.  
**Solution:** Reconnect the controller by performing a sync of the controller and receiver. If problems still persist, press the reset button located on the back of the Shadow 6 Wireless.
