## Wireless Charging Power Base Quad

Wireless charging base for charging up to 4 Wii Remotes

**ITEM No. - DWII-1155**  
**UPC - 8 45620 01155 1**  
**COLOR - White/Grey**

**PRODUCT DESCRIPTION**

The Wireless Charging Power Base Quad includes 4 Lithium-Ion rechargeable battery packs which provide longer game play, shorter recharge cycles, and overall better capacity than NiMH rechargeable battery packs. The Power Base sends a wireless charging signal directly to your Wii Remotes every time you place it on the unit. You can charge up to 4 Wii Remotes simultaneously, even with silicone sleeves covering them. You can also charge the Rechargeable Battery Packs by themselves. The Power Base features LED charge indicators that tell you your Wii Remote's charging status. It is powered by an included 110/240V AC Adapter, so you are no longer limited to charging near your Wii console's USB port. The Wireless Charging Power Base Quad is the perfect charging solution for your Wii Remotes.

**PRODUCT FEATURES**

- Power Base charges up to 4 Wii Remotes wirelessly
- Charging LED indicators to monitor charging
- 110/240V AC Adapter for a charge anywhere solution (included)
- Compact design can be placed on any flat surface
- Includes 4 Rechargeable High Capacity Lithium-Ion Battery Packs
