INK

Epson Stylus DX4400 Series

Affordable all-in-one printer, scanner and copier

Add quality, flexibility and value to your printing with the Epson Stylus DX4400 Series. It's easy to print, scan and make copies of everything from documents to photos – all from one compact device.

Key benefits:

- Discover high-quality all-in-one printing, scanning and copying
- Save money with individual inks – only replace the colour you use
- Superior quality with long-lasting Epson DURABrite™ Ultra Ink
- Quality and speed – print up to 25 pages per minute and at up to 5760 optimized dpi on suitable media

The Epson Stylus DX4400 Series makes high-quality printing, scanning and copying simple. You can print documents and photos, scan to your computer, and make copies at the push of a button.

Epson's latest generation of DURABrite™ Ultra Ink provides laser-like text and glossy photos, and is resistant to water, smudging and fading. It is also cost-effective because there are four individual inks – so you only replace the colour you use.

Multiple functions in a compact all-in-one device – print, scan and copy from one desktop location

Save money – four individual ink cartridges mean you only replace the colour you use

Epson DURABrite™ Ultra Ink gives you long-lasting prints – your prints are water, smudge and fade resistant

Ideal for all your printing – print everything from laser-like documents to glossy photos

Borderless printing – print your glossy photos borderless up to A4

Add new life to photos – restore colour, remove dust and correct backlighting when scanning with Epson Easy Photo Fix™

One touch copying – make black and white or colour copies at the touch of a button

Better photos – remove red-eye with Epson Easy Photo Print
