The screenshot shows the 'DATA SHEET' for the 'AMILO Notebook Li 3910', issued in November 2009. The document is titled 'Your entry into mobile computing'. It features the Fujitsu logo at the top right. The main content is organized into several sections with bullet points:

- Processor technology**
 - Intel® mobile processor technology with Intel® Celeron® (single or dual-core) or Intel® Pentium® (dual-core) processors for great performance – wherever you are
- Operating System**
 - Windows® 7 Home Premium or Professional
- Entertainment and Multimedia**
 - Enjoy your favorite Hollywood blockbuster on the big 40.7 cm (16-inch) LCD HD+ 16:9-widescreen display with BrilliantView technology for vivid colors, amazing sharpness and impressive contrast
 - The integrated AMILoCam with low-light technology for great video-quality even in low-light conditions and a built-in microphone are perfect for Internet telephony (VoIP) and video chats
- Mobile technology**
 - Integrated Wireless LAN to go online when and wherever you are
- More convenience thanks to**
 - The spill-proof keyboard that protects your notebook against accidentally spilled liquids
 - The silent mode function that causes a noticeable reduction in fan noise
 - The built-in DVD drive to store and secure data comfortably on the move
 - The extra number block

At the bottom of the page, there are icons for Windows 7, Intel, and other specifications.
