DATA SHEET

AMILO Notebook Sa 3650 Issue: October 2009
Express your passion

Always on the move? Like to travel light? Not much room to spare? We have developed a particular mobile AMILO Notebook Sa 3650 powered by AMD next-generation mobile processors - just for you. It combines extremely small dimension with powerful performance - and ingenious design - for productive work and the best in entertainment, wherever you are. The dedicated AMILIO GraphicBooster powered by ATI XGP™ technology increases video performance by up to 470 percent!

Processor technology

- AMD next-generation mobile dual-core processor technology

Innovation

- Supporting AMILIO GraphicBooster for superior discrete graphics performance for 3D gaming experience. Run up to 3 displays simultaneously, 2 of them via the AMILIO GraphicBooster powered by ATI Mobility Radeon™ HD 3870 premium graphics (512 MB dedicated video memory)

Reliability

- Spill-proof keyboard to protect your notebook against accidentally spill liquids
- Engineered in Germany

Mobility

- 33.8 cm (13.3-inch) form-factor that fits in almost every bag
- Integrated draft-n Wireless LAN to go online when and wherever you want
- Energy-saving ATI Radeon™ HD 3200 onboard graphics for an extended battery life of up to 4.5 hours

Entertainment and Multimedia

- The integrated Logitech® QuickCam® with low-light technology for great video-quality even in low-light conditions and a built-in digital array microphone are perfect for internet telephony (VoIP) and video chats
- LCD WXGA display with BrilliantView technology for vivid colors, amazing sharpness and impressive contrast
- Enjoy your favorite Hollywood blockbuster on an external display via DVI-I (with HDCP support)

More convenience thanks to

- The silent mode function that causes a noticeable reduction in fan noise
- The included protection sleeve to protect your notebook from bumps and scratches
- The built-in DVD drive to store and secure data comfortably on the move
