Workstation power on-the-go

CELSIUS H710
The CELSIUS H710 delivers workstation power in a 33.6 in (15.6-inch) notebook form factor. Featuring the 2nd generation Intel® Core™ processors and powerful NVIDIA® graphics, the CELSIUS H710 delivers uncompromising performance without tethering you to the office. Secure and reliable, it is ideal for business environments such as CAD and digital content creation.

Workstation performance
Higher productivity thanks to mobile workstation performance.

- Second generation Intel® Core™ i7 & i5 processors with vPro™ technology, Professional NVIDIA® Quadro® graphics with 96 NVIDIA CUDA cores.

Unlimited connectivity
Online anywhere, anytime.

- Optional integrated WLAN, 3G/LTE and Bluetooth®

Ultimate security
Protect your data from non-authorized access.

- Integrated SmartCard reader and fingerprint sensor

Advanced Reliability
Protects your notebook against physical damage.

- Spill-resistant keyboard and hard disk drive ShockSensor

ISV certification
Excellent performance and absolute stability in professional environments.

- Comprehensive certification for workstation applications under Microsoft® Windows 7
