ESPRIMO Mobile D9510

Do you require constant access to your data and an ergonomic display? The thin client kit ESPRIMO Mobile D9510 is ready for any challenge thanks to its state-of-the-art Intel® Centrino® 2 processor technology. The 39.1 cm (15.4-inch) display enable ergonomic working, whether you are in the office or travelling. Connectivity is ensured via a large number of interfaces and optional UMTS/HSDPA. With its new clear-line design the Thin Client Kit ESPRIMO Mobile D9510 fits perfectly into your office environment.

Ergonomic working

Relaxed easy working throughout the day.

- 39.1 cm (15.4-inch) WXGA or WXGA+ display, ergonomic keyboard with touchpad and optional touchstick

Maximum connectivity

Top performance, connectivity and a selection of classic and new interfaces enable constant data access and high-level productivity.

- Intel® Centrino® dual processor technology, serial interface, optional WLAN, UMTS

Long-term availability

Suit your systems to your requirements, even during a long "roll-out" phase.

- Fully-configurable entry notebook with reliable product availability of 12 to 18 months

Great flexibility

The family concept offers standardized accessory components for the ESPRIMO Mobile U, M, D, X series.

- Standardized port replicator, power supply unit and modular bay for optical drive or second battery

Maximum security

Protect your company data against unauthorized third-party access.

- Integrated SmartCards reader

Mobile Broadband
