## DATA SHEET

**FUTRO S550**  
The modular multi-talent

Issue: August 2009

**FUTRO S550**  
The small but powerful FUTRO S550 is your ideal client for server-based computing and virtual workplace solutions with RDP or ICA protocol, for Windows Terminal services or as Java-based network terminal.

**Environmentally-friendly**  
Saves energy and reduces CO2 emissions  
■ Only 40% of the weight of a PC and only 30% of its volume

**Relaxed working**  
Stress-free working environment  
■ Flash memory and passive cooling technology

**Energy efficiency**  
Saves energy and reduces CO2 emissions  
■ Integrated system concept with power-saving components

**Safety**  
Prevents unlicensed software installations and virus infections  
■ Write-protected file system which can be written by the administrator as required

**Backpack solution**  
Fewer cables and less space needed  
■ The FUTRO S550 can be mounted behind the screen
