*BMW Motorrad Navigator IV Owner's Manual Getting Started Looking at the Motorcycle Mount Touch the buttons on the left side of the Navigator IV motorcycle mount to quickly access software features. The motorcycle mount must be connected to external power for the buttons to function. Touch to zoom in and out on the map. Touch to toggle through Map page, trip computer, and media player. Hold to open brightness settings. 1. Locate the lithium-ion battery that came in the product box. 2. Slide the release key until the battery cover on the back of the Navigator IV pops up.*

*3. Locate the metal contacts on the end of the lithium-ion battery. 4. Insert the battery so that the metal contacts on the battery align with the metal contacts inside the battery compartment. 5. Replace the battery cover. Installing the Battery 1. Fit the bottom of your Navigator IV into the cradle. 2. Tilt the Navigator IV back until it snaps into place and the release button is completely flat.*

*Motorcycle mount Install Your Navigator IV in the Mount Release button Touch to hear the current instruction. BMW Motorrad Navigator IV Owner's Manual ("Turn left on Main St.," for example.) Hold open volume settings. CauTion: Always keep the battery installed when the Navigator IV is on.*

*Warning: This product contains a lithium-ion battery. To prevent damage, remove the unit from the vehicle when exiting or store it out of direct sunlight. Getting Started Mounting Your Navigator IV in an Automobile 1. Plug the automotive power cable into the power connector on the right side of tAdjusting the Volume From the Menu page, touch Volume. Touch and to adjust the master volume.*

*Touch Mute to mute all audio except for the phone audio. To adjust the volume levels for the voice prompts, the media player, and the phone, touch Mixer. Adjust the levels as needed. Touch restore to return the volume settings to the original levels. noTe: Press and release the power button to quickly access the volume and brightness settings. If you want to add more than one stop to the route, edit the current route. See page 14. Taking a Detour If a road on your route is closed, you can take a detour. 1. With a route active, touch Menu.*

*2. Touch Detour. noTe: The map page may vary depending on your locale. The Navigator IV attempts to get you back on your original route as quickly as possible. If the route you are currently taking is the only reasonable option, the Navigator IV might not calculate a detour. BMW Motorrad Navigator IV Owner's Manual Where To? Where To? The Where To? menu provides several different categories you can use to search for locations. To learn how to search for a point of interest, see page 8. 6. Select the correct street in the list, if necessary. 7.*

*Touch the address, if necessary. Go! Page Options Touch an item in the search results list to view the Go! page. Searching Near Another Location Finding an Address The steps to find an address can vary depending on the maps that are loaded on your Navigator IV. Not all map data provides postal code searching.*

*1. Touch Where To? > Address. 2. Touch Change State or Country, if necessary. 3. Touch Search All.*

*OR Touch Spell City or Spell Postal Code, enter the city/postal code, and touch Done. Select the city/postal code in the list. 4. Enter the number of the address, and touch Done. 5. Enter the street name, and touch Done. 0 Your Navigator IV automatically searches for places near your current location. 1. Touch Where To? > Near. 2.*

*Select an option: · Where I Am Now--search near your current location. · A Different City--search near the city you enter. · My Current Route--search along your route. · My Destination--search near your current destination. 3. Touch OK. Touch to call this location, if a mobile phone with Bluetooth wireless technology is connected. Touch to view the Routes page. See page 11. this location.*

*Touch to create a turn-by-turn route to Touch to view this location on the map. Touch to save this location to your Favorites. See page 12. BMW Motorrad Navigator IV Owner's Manual Where To? Selecting a Route Setting a Home Location 1. Touch Where To? > Go Home.*

*2. Select an option. You can set a Home location for the place you return to most often. 1. Touch Where To? > Points of Interest > Spell Name. 2. Using the on-screen keyboard, enter letters in the name. 3. Touch Done. 1. On the Go! Page, touch the route information tab, which lists your usage mode and the distance and time to your destination. 2. Touch and to scroll between routes: fastest time, shortest distance, and off road.. 3.*

*Touch Go! to select a route. Going Home Using the On-Screen Keyboard After you set your Home location, you can route to it at any time. Touch Where To? > go Home. When an on-screen keyboard appears, touch a letter or number to enter it. Changing Your Home Location 1. Touch Tools > My Data > Set Home Location. 2. Select an option. To set a new location as your Home location, use the Tools menu. · Touch to add a space.*

*· Touch to delete the character. · Touch to select words you have recently typed and selected. · Touch Lang. to change the keyboard language mode. · Touch to enter special characters.*

*See page 29 for more information on route preferences. In pedestrian usage mode, only off-road and on-road routes are displayed. Finding a Place by Spelling the Name If you know the name of the location you are looking for, you can spell it using the onscreen keyboard. You can also enter letters contained in the name to narrow the search. BMW Motorrad Navigator IV Owner's Manual Where To? Finding Recently Found Places Saving Your Current Location Your Navigator IV stores the last 50 of your recent finds in the Recently Found list.*

*The most-recently viewed places appear at the top of the list. Touch Where To? > recently Found to view your recently found items. From the Map page, touch the vehicle icon. Touch Save Location to save your current location. Saving Places You Find Clearing Recently Found Places To remove all places from the Recently Found list, touch Clear > Yes. All items from the list are removed, but this does not delete the actual place from your Navigator IV. 1. After you have found a place you want to save, touch Save on the Go! page. 2. Touch OK.*

*The place is saved in Favorites. · Attach Photo--select a picture to assign to the location. To load pictures on your Navigator IV or memory card, see page 24. · Change Map Symbol--touch a new symbol. · Change Phone Number--enter a phone number, and touch Done. · Change Categories--create or change the category in which this location is saved. · Delete--touch Yes to remove this item from the Favorites list. Finding Saved Places Using Favorites 1. Touch Where To?.*

[You're reading an excerpt. Click here to read official GARMIN BMW  
MOTORRAD NAVIGATOR IV user guide  
http://yourpdfguides.com/dref/3340021](http://yourpdfguides.com/dref/3340021)

*Touch Favorites.* 3. Touch a category. Your saved locations are listed. Using *Photo Navigation* You can save places in your Favorites, so you can quickly find them and create routes to them.

Your home location is also stored in Favorites. Editing Saved Places 1. Touch *Where To?* > Favorites. 2. Touch the location you want to edit.

3. Touch *Edit*. · Change Name--enter a new name, and touch *Done*. You can load pictures that include location information onto your Navigator IV or a memory card, and then create routes to them. 1. Go to <http://connect.garmin.com/photos> to download pictures with location information. 2. Follow the instructions on the Web site to select and load pictures.

*BMW Motorrad Navigator IV Owner's Manual Where To?* 3. Touch *Where To?* > Favorites > *Panoramio™ Photos*. Pictures with location information are listed. 4. Touch a picture. Using *Extras For information* about extras such as safety camera information and *Garmin Travel Guide*, see pages 3536. Finding a Place Using the Map To find a location on the map, touch *Where To?* > *Browse Map* or touch anywhere on the map. · Touch anywhere on the map. An arrow points to the location. · Touch *Save* to save this location.

· Touch *go!* to navigate to the location. · If the Navigator IV is in simulator mode, touch *Set Loc.* to set your location to the selected location. (See page 29.) to switch between a 3D · Touch (three-dimensional) map and a 2D (twodimensional) map.

to rotate the viewing angle in · Touch 3D view. · As you zoom out, the map changes to a digital elevation map showing the contours of the area. · Zoom far out to view a globe. Touch and spin the globe to quickly find different areas of the world. *noTe:* You can only see detailed map information for areas for which you have maps loaded on your Navigator IV.

*Entering Coordinates* If you know the geographic coordinates of your destination, you can use your Navigator IV to navigate to your destination using the latitude and longitude coordinates (or other coordinate formats). This can be especially helpful when geocaching. 1. Touch *Where To?* > *Coordinates*. 2. Touch *Format*, and select the correct coordinate format for the type of map you are using. 3. Touch a direction field to select a new direction. 4. Touch a numeric field to enter the coordinates, and touch *Done*.

5. After you have entered the proper coordinates, touch *Next*. · Touch and drag to view different parts of the map. · Touch and to zoom in and out. *BMW Motorrad Navigator IV Owner's Manual Custom Routes Using Custom Routes* Use your Navigator IV to create, save, edit, and share up to 20 routes. 1. Touch *Where To?* (or *Tools*) > *Custom Routes* > *New*. 2. Touch *Add New Start Point*. 3.

Find a location for your starting point, and touch *Select*. 4. Touch *Add New End Point*. 5. Find a location for your ending point, and touch *Select*.

6. Touch to add another location to your route. Touch to remove a location. 7. Touch *Next* to calculate your route and view it on the map.

8. Touch *Save* to save the route and exit. 1. Touch *Where To?* (or *Tools*) > *Custom Routes*. 2. Select the route you want to edit. 3. Touch *Edit*. 4. Touch an option to edit the route: · Change Name--enter a new name, and touch *Done*.

· Add or Remove Points--add or remove points from the route. · Manually Reorder Points--change the order of points along your route. · Optimally Reorder Points-- automatically order the points. · Recalculate--change the route preference to calculate by faster time, shorter distance, or off road. · Delete--remove this route. *Creating a Custom Route* Your changes are automatically saved when you exit any of the route edit pages. 1. Touch *Where To?* > *Custom Routes*.

2. Select the route you want to share.

3. Touch *Share* > *Export* > *Memory Card* > OK. 4. Select the route you want to share, and touch *Export* > OK. 5.

Remove the memory card and insert it into the other Navigator IV. 6. A message appears. Touch *Yes* to import the shared route. 7.

Touch *Routes*, and then select the route you want to import. 8. Touch *Import* > OK. 1. Touch *Where To?* > *Custom Routes*. 2. Select the route you want to share. 3. Touch *Share* > *Export* > *Bluetooth* > OK. 4.

A list of nearby Bluetooth devices appears. Select the other Navigator IV, and touch OK. *BMW Motorrad Navigator IV Owner's Manual Sharing Routes with a Memory Card Sharing with Bluetooth* Sharing Routes Editing Custom Routes Share your saved routes with other Navigator IV owners by using a memory card or a wireless Bluetooth connection. You can access the imported route in *Where To?* > *Custom routes*. Using the Main Pages Using the Main Pages Map Page Touch *View Map* to view the Map page. Touch to zoom in and out. Touch the vehicle icon to view the *Where Am I?* page. Touch to view the *Trip Computer*. Touch to return to the Menu page. Turn List Page · A vehicle icon shows your current location.

· Touch anywhere on the map to select an overhead view. · Touch and drag the map to view a different area of the map (see page 13). · A speed limit icon could appear as you travel on major roadways. Changing Data Fields You can display different information when you are driving and routing. 1.

While navigating a route, touch a data field in the lower left corner or lower right corner of the Map page. 2. On the *Trip Computer* page, touch a data field you would like the map to display. When you are navigating a route, the *Turn List* page displays turn-by-turn instructions for your entire route and the distance between turns. Touch the text bar on the top of the Map page to view the *Turn List* page.

Touch a turn on the list to view the *Next Turn* page for that turn. Touch *Show Map* to view the entire route on the map. *Next Turn Page* When you are navigating a route, the *Next Turn* page shows the turn on the map and the Touch to view the *Next Turn* or *Junction View* (when available) page. Touch to view the *Turn List* page. *BMW Motorrad Navigator IV Owner's Manual Using the Main Pages* distance and time left before you reach the turn. To view an upcoming turn on the map, touch the upper-left corner of the Map page, or touch any turn on the *Turn List* page. *Trip Computer Page Heading Direction to destination Fuel gauge Compass Customizable data fields Resetting Trip Information* To ensure accurate trip information, reset the trip information before beginning a route. 1. While on the Map page, touch a data field to access the *Trip Computer* page. 2.

Touch *Reset* and then select an option: · Touch *Max. Speed* to reset the maximum speed. · Touch *Trip Data* to reset the information on the *Trip Computer* page. · Touch *Fuel Gauge* to reset the fuel gauge on the trip computer. For more information on the fuel gauge, see page 33. *Junction View Page The Trip Computer* provides helpful statistics about your trip.

[You're reading an excerpt. Click here to read official GARMIN BMW MOTORRAD NAVIGATOR IV user guide](http://yourpdfguides.com/dref/3340021)  
<http://yourpdfguides.com/dref/3340021>

To view the Trip Computer, touch a data field on either side of Menu on the Map page. When available, the Junction View page may display an image of the upcoming junction and in which lane you should be driving. To view the Junction View page touch the upper-left corner of the Map page. You can also access the Junction View page from the Next Turn page.

Green check marks appear beside the data fields that are currently displayed on the Map page. You can navigate using a GPS compass. No calibration is required; however, you must have a clear view of the sky. When you are traveling, the compass rotates. BMW Motorrad Navigator IV Owner's Manual Using Hands-free Calling Using Bluetooth technology, your Navigator IV can connect to your mobile phone and wireless headset/helmet to become a handsfree device.

To determine whether your device with Bluetooth technology is compatible with the Navigator IV, go to [www.garmin.com/bluetooth](http://www.garmin.com/bluetooth). To pair and connect, your device and the Navigator IV must be turned on and be within 33 feet (10 meters) of each other. The Navigator IV can be connected to a phone and a headset at the same time.

Initiate pairing from your Navigator IV or from your device. Refer to the instructions for your devices. When you turn on the Navigator IV, it tries to connect to the last device to which it was connected. You might have to set your device to connect to the Navigator IV automatically when it is turned on. When your phone is connected to your Navigator IV, you are ready to make phone calls. From the Menu page, touch Phone to access the Phone menu. 1. From the Menu page, touch Tools > Settings > Bluetooth > Enabled. 2. Enable the Bluetooth component on your phone.

This might be in a menu called Settings, Bluetooth, Connections, or Hands-free. 3. Initiate a search for Bluetooth devices. 4. Select the Navigator IV from the list of devices. 5. Enter 1234 into your phone. Pairing Your Phone Using the Phone Pairing Your Devices Bluetooth wireless technology establishes a wireless link between devices, such as a mobile phone and the Navigator IV. The first time you use two devices together, you must "pair" them by establishing a relationship using a PIN/passkey. After the initial pairing, the two devices can connect automatically each time you turn them on.

1. From the Menu page, touch Tools > Settings > Bluetooth > Enabled. 2. Under Phone, touch Add. 3.

Enable the Bluetooth component on your phone. Enable Find Me/Discoverable/Visible mode. These settings might be in a menu called Bluetooth, Connections, or Hands-free. 4. Touch OK on the Navigator IV.

Pairing the Navigator IV with Your Mobile Phone BMW Motorrad Navigator IV Owner's Manual Using Hands-free Calling 5. Select your phone, and touch OK. 6. Enter 1234 into your phone. Pairing the Navigator IV with Your Wireless Headset 6. Enter the Bluetooth PIN/passkey for your headset, if necessary, and touch Done. 7. Touch OK. To listen to high-quality audio, you can connect an Advanced Audio Distribution Profile (A2DP) Bluetooth headset. When the Navigator IV is in the motorcycle mount, the internal speaker will be disabled, and you can only receive calls and listen to voice prompts and MP3s through a wireless headset/helmet.

For more information, see the audio options table on page 34. 1. From the Menu page, touch Tools > Settings > Bluetooth > Enabled. 2. Under Audio, touch Add. 3. Turn on your headset, and enable Find Me/Discoverable/Visible mode, if necessary. 4. Touch OK on the Navigator IV. 5.

Select your headset, and touch OK. Receiving a Call When you receive a call, the Incoming Call window appears. Touch answer to answer the call. Touch ignore to ignore the call and silence the ring. While the Navigator IV is in the motorcycle mount, you can only receive a call through a headset.

· Transfer audio To Phone--this is helpful if you want to turn off the Navigator IV but stay on the call, or if you need privacy. To switch back, touch Transfer audio To Device. · Mute Microphone. From the Menu page, touch Phone to view the Phone menu. Touch Status to view the signal strength, the battery level, and the name of the connected phone.

noTe: Not all phones support all features of the Navigator IV Phone menu. Phone Menu In a Call To end a call, touch > end Call. Touch > Call options for the following options: · Touch Tones--displays a keypad page so you can use automated systems, such as voice mail. BMW Motorrad Navigator IV Owner's Manual Using Hands-free Calling Using Your Phone Book Each time your mobile phone connects with the Navigator IV, the phone book is automatically loaded into the Navigator IV. It may take a few minutes for the phone book to be available. 1. Touch Phone > Phone Book. 2. Touch the phone book entry (contact) you want to call. 3.

Touch Dial to call the contact. 1. Touch Phone > Points of Interest. 2. Search for the point of interest you want to call. 3. Touch Dial or . IV. It may take a few minutes to transfer this data to the Navigator IV. 1.

Touch Phone > Call History. 2. Touch a category to view those calls. The calls are listed in chronological order, with the most recent calls at the top of the list. 3.

Touch an entry, and touch Dial. Placing Calls Using Voice Dial 1. Touch Phone > Voice Dial. 2. Speak the contact name.

You can place calls by speaking the contact name. Calling Home Enter a phone number for your Home location so that you can quickly call home. To enter your phone number: 1. Touch Phone > Call Home. 2. Touch Enter Phone Number to use the keypad page, or touch Select From Phonebook (only available if your phone supports phone book transfer). 3. Touch Done > Yes. The Navigator IV dials your home phone number. To call home: Touch Phone > Call Home.

noTe: You may need to "train" your mobile phone to recognize your voice dial commands. Refer to the instructions for your phone. Dialing a Point of Interest Dialing a Number 1. Touch Phone > Dial. 2. Enter the number, and touch Dial. Viewing Your Call History Each time your phone connects to the Navigator IV, your call history is automatically transferred to the Navigator BMW Motorrad Navigator IV Owner's Manual Using Traffic Information Using Traffic Information MSN® Direct Your Navigator IV can receive FM TMC (Traffic Message Channel) traffic or MSN® Direct traffic content, depending upon the traffic receiver connected to your Navigator IV. Your Navigator IV displays both types of traffic content in the same manner. noTe: Garmin is not responsible for the accuracy of the traffic information. You can only access MSN Direct content with an optional MSN Direct receiver.

For more information, visit <http://garmin.msndirect.com> or [www.garmin.com/traffic](http://www.garmin.com/traffic).

To purchase an accessory, visit <http://buy.garmin.com>. · The traffic receiver and the Navigator IV must be in data range of an FM station transmitting traffic information.

[You're reading an excerpt. Click here to read official GARMIN BMW MOTORRAD NAVIGATOR IV user guide](http://yourpdfguides.com/dref/3340021)  
<http://yourpdfguides.com/dref/3340021>

noTe: Heated (metallized) windshields could degrade the performance of the traffic receiver.

Receiving Traffic Information Traffic You can only access the traffic information if your Navigator IV is connected to an optional FM traffic receiver. For more information, see [www.garmin.com/traffic](http://www.garmin.com/traffic). Internal antenna When you are receiving traffic information, a traffic icon appears in the upper-left corner of the Map page. The traffic icon changes To power outlet in car color to indicate the severity of traffic External antenna conditions on your route or on the road you connector are currently traveling. Traffic in Your Area To power connector on the cradle To receive traffic information, the following conditions must be met: · The traffic receiver must be connected to the auto mount. · The auto mount must be connected to an external power source. Severity Color Code Color Green Yellow Red Description Low severity Medium severity High severity Meaning Traffic is flowing normally. Traffic is slightly congested. Traffic is heavily congested or stopped.

0 BMW Motorrad Navigator IV Owner's Manual Using Traffic Information Traffic on Your Route When calculating your route, the Navigator IV examines the current traffic and automatically optimizes the route for the shortest time. If a severe traffic delay occurs on your route while you are navigating, the Navigator IV automatically recalculates the route. You might still be routed through traffic if no better alternative routes exist. If a non-severe traffic delay occurs on your route, the traffic icon shows how much time the delay has added to your route. This time is included in your estimated arrival time. Viewing the Traffic Map The traffic map shows color-coded traffic flow and delays on nearby roads. 1. On the Map page, touch the traffic icon. 2.

Touch Show Traffic Map to view the traffic incidents on a map. To return to the normal map from the traffic map, touch the traffic icon, and then touch Show normal Map. 1. On the Map page, touch the traffic icon. 2.

Touch Traffic Search to view a list of traffic delays. 3. Touch an item in the list to view the delay on a map and details about the delay. If there is more than one delay, touch the arrows to view the additional delays. Viewing Traffic Delays 1.

Changing the text language does not change the language of user-entered data or map data, such as street names. Keyboard--select the keyboard for your language. You can also change the keyboard language mode from any keyboard by touching the Lang. button.

restore--restore the original languages. Adjusting the Display Settings Touch Tools > Settings > Display. Color Mode--select Daytime for a light background, nighttime for a dark background, or auto to automatically switch between the two. Updating the Time Settings Touch Tools > Settings > Time. Time Format--select a 12-hour, 24-hour, or UTC time format. Current Time--select automatic to update the time automatically to the current time zone. When automatic is not selected, you can adjust the time in 15-minute increments to adapt to different time zones. 0 BMW Motorrad Navigator IV Owner's Manual Customizing the zmo Changing the Map Settings Touch Tools > Settings > Map. Map Detail--adjust the amount of detail shown on the map. Showing more detail may cause the map to redraw slower.

Map View--select a map perspective. · Track up--display the map in two dimensions (2D) with your direction of travel at the top. · north up--display the map in 2D with North at the top. · 3D--display the map in three dimensions (3D) in Track Up. Vehicle--touch Change to change the icon used to display your position on the map.

Touch the icon you want to use, and then touch oK. Download additional vehicle icons at [www.garmin.com](http://www.garmin.com). Trip Log--show or hide the log of your travels.

To clear your trip log, touch Tools > My Data > Clear Trip Log. BMW Motorrad Navigator IV Owner's Manual Map info--view the maps loaded on your Navigator IV and their versions. Touch a map to enable (check mark) or disable (no check mark) that map. restore--restore the original map settings. Viewing FM TMC Traffic Subscription Information noTe: You can only access the traffic settings if your Navigator IV is connected to external power and an FM TMC traffic receiver. Adding Security Touch Tools > Settings > Security. garmin Lock--turn on Garmin Lock™ to lock your Navigator IV. Enter a 4-digit PIN, and set a security location. For more information, see page 34. Safe Mode--turn safe mode on or off.

When your vehicle is moving, safe mode disables all functions that require significant operator attention and could become a distraction while driving. restore--restore the original security settings. Restoring the security settings will not clear your Garmin Lock PIN or security location. Touch Tools > Settings > Traffic. Not all traffic settings are available for all locales. Enable Traffic--turn traffic on and off. Current--select which provider to use. Select auto to use the best provider for the area, or select a specific provider to use. Find More--search for additional TMC traffic providers. If you are in a new area, touch Yes to clear the provider table.

Subscriptions--view your FM traffic subscriptions and expiration dates (these are listed on the main traffic settings page for North American devices). Customizing the zmo add (or Subscriptions > add)--add a new subscription to a traffic service. Go to [www.garmin.com/fmtraffic](http://www.garmin.com/fmtraffic) to purchase a subscription. The traffic subscription code cannot be reused. You must obtain a new code each time you renew your service. If you own multiple FM traffic receivers, you must obtain a new code for each receiver. Drop--select the device you want to disconnect, and touch Yes. remove--select the device you want to delete from the Navigator IV memory, and touch Yes.

Bluetooth--enable and disable the Bluetooth component. The Bluetooth icon appears on the Menu page if the Bluetooth component is enabled. To prevent a device from automatically connecting, select Disabled. Friendly name--enter a friendly name that identifies your Navigator IV on devices with Bluetooth technology. Touch Done. restore--restore the original Bluetooth settings. This does not clear the pairing information. Changing the Proximity Points Settings You must have proximity points (such as custom POIs, a safety camera database, or a TourGuide® file) loaded to adjust the proximity point settings. See pages 3536. Touch Tools > Settings > Proximity Points.

Proximity alerts--touch Change to turn the alerts on or off when you approach custom POIs or safety cameras. Tourguide--set how you want the audio for TourGuide to be activated. Select auto Play to hear the complete tour as programmed; Prompted to show the speaker icon on the map when tour information is available during your route; or off. restore--restore the original proximity points settings. Changing Bluetooth Technology Settings Touch Tools > Settings > Bluetooth. Phone or audio--select add > oK to pair with a device that has Bluetooth wireless technology. To listen to high-quality audio wirelessly, connect to a Bluetooth headset that supports the A2DP profile. See pages 1719. Select Change to pair and connect with a different device. The Navigator IV PIN code (or passkey) is 1234.

BMW Motorrad Navigator IV Owner's Manual Customizing the zmo Changing the Fuel Gauge Settings When connected to the motorcycle mount, your Navigator IV can alert you when your fuel tank is low. Touch Tools > Settings > Fuel gauge. Fuel Tracking--touch on. A Fuel Gauge appears under the compass on the Map page. Distance Per Tank--enter the total distance your motorcycle can travel on a tank of fuel.

Low Fuel Warning--select the fuel level at which you would like to be notified that your fuel tank is low. 1. Touch Tools > Settings. 2. Touch Restore.

3. Touch Yes. Restoring All Settings Clearing User Data noTe: This deletes all user-entered information. 1. Hold your finger on the lower-right corner of the Navigator IV screen while turning on the Navigator IV. 2. Keep your finger pressed until the message appears. 3. Touch Yes to clear all user data. Using the Fuel Alarm When your fuel tank is low enough to trigger the Remaining Fuel Alarm, appears on the Map page.

Touch the icon to view a list of nearby gas stations. All original settings are restored. Any items that you have saved are erased. Touch Tools > Settings > Display. 2. Under Touchscreen, touch Calibrate. 3. Follow the on-screen instructions.

Locking Your Navigator IV Garmin Lock is a theft-deterrent system that locks your Navigator IV. Each time you turn on the Navigator IV, enter the PIN or drive to the security location. 1. Touch Tools > Settings > Security.

[You're reading an excerpt. Click here to read official GARMIN BMW MOTORRAD NAVIGATOR IV user guide](http://yourpdfguides.com/dref/3340021)  
<http://yourpdfguides.com/dref/3340021>

2.

Touch the button below **Garmin Lock**. 3. Enter a 4-digit PIN, and drive to a security location. Resetting the Navigator IV If the Navigator IV stops functioning, turn off the Navigator IV, and then turn it back on. If this does not help, press and hold for 8 seconds.

Turn on the Navigator IV again. The Navigator IV should operate normally. What is a Security Location? Select a location you return to often, such as your home, for your security location. If the Navigator IV has satellite signals and you are at the security location, you do not need to enter the PIN. **noTe:** If you forget your PIN and your security location, you must send your Navigator IV to Garmin to get it unlocked. You must also send a valid product registration or proof of purchase. **BMW Motorrad Navigator IV Owner's Manual Appendix nüMaps Guarantee™** To receive one free map update (if available), register your Navigator IV at <http://my.garmin.com> within 60 days of acquiring satellites and driving with your Navigator IV. You are not eligible for the free map update if you register by phone or wait longer than 60 days after the first time you drive with your Navigator IV.

3. Run **WebUpdater**, and follow the onscreen instructions. weekly, so you always have access to the most up-to-date information. You can purchase a new region or extend an existing subscription at any time. Each region that you purchase has a specific expiration date. **CauTion:** Garmin is not responsible for the accuracy of, or the consequences of using, a custom POI or safety camera database. After confirming that you want to perform an update, **WebUpdater** automatically downloads the update and installs it on your Navigator IV. **Extras and Optional Accessories Additional Maps** You can purchase additional maps for your Navigator IV. To see a list of maps that are compatible with your Navigator IV, go to your Navigator IV product page on the Garmin Web site ([www.garmin.com](http://www.garmin.com)).

com), and click the **Maps** tab. 1. Go to [www.garmin.com/products/webupdater](http://www.garmin.com/products/webupdater), and download **WebUpdater** to your computer.

2. Connect the Navigator IV to your computer using the mini-USB cable. **BMW Motorrad Navigator IV Owner's Manual** For more information about optional accessories, go to [www.garmin.com/products/navigatorIV](http://www.garmin.com/products/navigatorIV), or contact your **BMW Motorrad** dealer.

**Custom Points of Interest Safety Cameras** Updating the Software Safety camera information is available in some locations. Check <http://my.garmin.com> for availability. For these locations, the Navigator IV includes the locations of hundreds of safety cameras. Your Navigator IV alerts you when you are approaching a safety camera and can warn you if you are driving too fast. The data is updated at least Use the **POI Loader** to load custom points of interest (POIs) onto your Navigator IV. POI databases are available from various companies on the Internet. Some custom databases contain alert information for points of interest, such as school zones. Go to [www.garmin.com/extras](http://www.garmin.com/extras), and click **Poi Loader** to install the **POI Loader** onto your computer. For more information, refer to the **POI Loader Help** file. Press **F1** to view the **Help** file. **Appendix To view your Custom POIs, touch Where To? > extras > Custom Pois.** To change the proximity alert settings, touch **Tools > Settings > Proximity Points > Proximity alerts.** To delete the Custom POIs from your Navigator IV, connect your Navigator IV to your computer. Open the **garmin\poi** folder in the Navigator IV drive or the memory card drive. Delete the file entitled **poi.gpi**.

**Garmin Travel Guide** Much like a paper travel guide, the **Garmin Travel Guide** provides detailed information about places, such as restaurants and hotels. To purchase an accessory, go to <http://buy.garmin.com>, or contact your **Garmin** dealer. To use the **Travel Guide**, insert the memory card into your Navigator IV. Touch **Where To? > extras.** Touch the name of your **Travel Guide** to view it. **not unplug the Navigator IV until it is totally charged.** **Replacing the Battery in the Navigator IV** If you need to replace the battery in the Navigator IV, contact your local **BMW Motorrad** dealer. Contact your local waste disposal department for information about properly disposing of the battery.

**TourGuide** The **TourGuide** allows your Navigator IV to play third-party, GPS-guided audio tours. These audio tours can take you on a route while playing interesting facts about historical sites along the way. For more information, go to [www.garmin.com/extras](http://www.garmin.com/extras), and click **Poi Loader**. To view your **TourGuide** files, touch **Where To? > extras > Custom Pois.** To change the **TourGuide** settings, touch **Tools > Settings > Proximity Points > Tourguide.** **Battery Information** Your Navigator IV contains a user-replaceable, lithium-ion battery. To maximize the lifetime of the battery, do not leave your Navigator IV in direct sunlight, and avoid prolonged exposure to excessive heat. The battery icon in the corner of the **Menu** page indicates the status of the Navigator IV battery.

To increase the accuracy of the battery gauge, fully discharge the battery and fully charge it. **Do Charging Your Navigator IV . . . . Use the motorcycle mount** Use the automotive power cable. Use the optional USB cable. Use an optional AC adapter cable. Use an optional battery charger. **noTe:** The battery does not charge in the motorcycle mount while the Navigator IV is turned off. **BMW Motorrad Navigator IV Owner's Manual Appendix Maximizing the Battery Life . . . . Turn down the backlight (Tools > Settings > Display > Brightness). . . . Disable Bluetooth; see page 17. . . . Do not leave your Navigator IV in direct sunlight.** Avoid prolonged exposure to excessive heat.

3. Ensure that the silver tip is placed in the black end piece. Screw on the black end piece. **Removing the Navigator IV and Mounts About GPS Satellite Signals Changing the Fuse in the Automotive Power Adapter (Optional) noTiCe:** When replacing the fuse, do not lose any of the small pieces, and ensure they are put back in the proper place. Your Navigator IV must acquire GPS (Global Positioning System) satellite signals to navigate.

If you are indoors, near tall buildings or trees, or in a parking garage, your Navigator IV cannot acquire satellites. Go outside to an area free from tall obstructions to use your Navigator IV. When your Navigator IV has acquired satellite signals, the signal strength bars on the **Menu** page are green . When it loses satellite signals, the bars turn red or clear . For more information about GPS, go to [www.garmin.com/aboutGPS](http://www.garmin.com/aboutGPS).

To remove the Navigator IV from the cradle on both the automobile and motorcycle mounts, press the button on the side of the cradle, and tilt the Navigator IV forward. To remove the cradle from the automobile mount, turn the cradle to the right or the left. Apply pressure until the socket on the cradle releases the ball on the mount. **Caring for Your Navigator IV** Your Navigator IV contains sensitive electronic components that can be permanently damaged if exposed to excessive shock or vibration exceeding that of normal motorcycle or automobile use.

**[You're reading an excerpt. Click here to read official GARMIN BMW MOTORRAD NAVIGATOR IV user guide](http://yourpdfguides.com/dref/3340021)**  
**<http://yourpdfguides.com/dref/3340021>**

To minimize the risk of damage to your Navigator IV, avoid dropping your unit and operating it in extreme high-shock and highvibration environments. If your unit does not charge in your vehicle, you may need to replace the fuse located at the tip of the automotive adapter. 1. Unscrew the black, round end piece, and remove it.

2. Remove the fuse (glass and silver cylinder), and replace with a 3A fast-blow fuse. End piece Silver tip Fuse BMW Motorrad Navigator IV Owner's Manual Appendix Cleaning the Casing The Navigator IV is constructed of highquality materials and does not require user maintenance other than cleaning. Clean the outer casing (not the touchscreen) using a cloth dampened with a mild detergent solution, and then wipe dry. Avoid chemical cleaners and solvents that can damage plastic components. · Though a PDA stylus can be used to operate the touchscreen, never attempt this while operating a vehicle. Never use a hard or sharp object to operate the touchscreen, or damage may result. Garmin Web site for your Garmin product: [www.garmin.com](http://www.garmin.com).

Avoiding Theft Software License Agreement Cleaning the Touchscreen Clean the touchscreen with a soft, clean, lint-free cloth. Use water, isopropyl alcohol, or eyeglass cleaner, if needed. Apply the liquid to the cloth, and then gently wipe the touchscreen. Protecting Your Navigator IV · To avoid theft, remove the unit and mount from sight when not in use. Remove the residue on the windshield left by the suction cup.

· Do not keep your unit in the glove compartment. · Register your product at <http://my.garmin.com>. · Use the Garmin Lock feature.
