SOUNDSTICKS® III

2.1-channel multimedia sound system

Harman Kardon SoundSticks® III

A 6-inch, 20-watt downward-firing powered subwoofer. Eight 1-inch full-range transducers. Plug-and-play compatibility with virtually any multimedia device. And stunning industrial design that perfectly matches the clarity of the sound. The Harman Kardon SoundSticks III desktop sound system brings a new level of excitement to music, games and movies with a minimum of wiring—and looks spectacular doing it.

Highlights

- Incredible industrial design
- Compatible with all devices with a stereo minijack output.
- Realistic room-filling sound
- Outstanding bass performance
- Touch volume and mute controls
- Subwoofer volume control
- Angle-adjustable satellites

Key Specifications
