AGES 4+

Snuggimals™

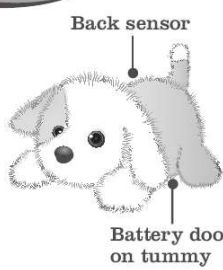

CARE GUIDE

Pet type and colors may vary.

x1 BATTERY INCLUDED

Replace with 1 x 1.5V "AA" or LR6 size alkaline battery. Phillips/cross head screwdriver (not included) needed to replace battery.

Getting to Know Your Pet

Back sensor

Battery door on tummy

A sensor is a part of the toy that responds to your touch!

How to Play

Press your SNUGGIMALS pet on its back and it will wiggle around to show it's ready to play!

NOTE: When you're finished playing with your pet, store it on its tummy and be sure nothing is stacked on top or pressing the back sensor. This will help conserve battery life by preventing accidental activations.

Grooming Your Pet

Just like a real animal, your SNUGGIMALS pet likes to stay clean. But make sure it doesn't get wet! Gently brush its fur with a cloth or soft brush to loosen any dirt. You can use a slightly damp cloth to remove stains, but don't use any cleaners on your SNUGGIMALS pet.
