AIM OF THE GAME
Launch your monkeys into the lagoon and collect the most bananas to win!

CONTENTS & ASSEMBLY
Refer to the picture to the left for contents and assembly.

GET READY!

- Each player starts with four monkeys of the same color.
- Unlock the ELEFUN popper by turning the base one-quarter turn.
- Practice launching monkeys into the "swimming holes" by pressing down on their tails.

LET'S PLAY!
The game is played in rounds until all the banana tokens are collected. For each round do the following:

- Place the ELEFUN popper into one of the four swimming holes.
- When players are ready to start, push the ELEFUN popper down.
- Everyone launches monkeys at the same time. Aim for the swimming holes—that's how you'll earn points! Keep launching until either you've landed all your monkeys in the lagoon or ELEFUN pops up!
- When ELEFUN pops out of the water, he'll bounce some monkeys around. Collect a banana token for each monkey that landed in a swimming hole (including the one ELEFUN is in).
- Continue playing rounds until all the banana tokens are collected.

DID YOU WIN?
Count your banana tokens. If you have the most, you win!

FOR A MORE CHALLENGING GAME
Place the lily pad blocker into any swimming hole at the beginning of the round. Do not collect banana tokens for monkeys that land in that swimming hole.
