... @@1 1 Batterib the card number will be shown, followed by that player's current balance ..
... Finishing The unit turns off automatically after 1 minute of inactivity. Press any key to start it up again.

All the balances will still be stored in the unit. This means you can take a break from laving and continue later. with your money exactly where you left it!
Banker's Tips 1. Always follow the arrows on the cards when inserting them into the unit. 2. If the unit does not beep when you insert a card, check that the card is -, &? inserted the right way. 3. If you enter the wrong amount, press "C" and enter the correct amount. You can only correct a mistake if the card is still in the unit. 4.

The maximum amount that can be entered at one time is \$20M. The minimum amount is \$10K. 5. @@@@The amount payable is shown on the Title Deed card and depends on the number of other airports owned by BUILDING H O U S E S Once you own all sites of a color group, you can buy houses to put on any of those spaces. The price of a house is shown on the Title Deed card. You can buy houses (or hotels) on your turn or in between other players' turns, but you must build evenly: you cannot build a second house on a site until you have built a house on every site in that group. You may buy as many buildings as you wish, as long as you can afford them! @@@@The mortgage can -- -paid as normal later in the game. @@@@.Viiit@.
