Play-Doh Toy Time Race GAME

FOR 2 TO 4 PLAYERS AGES 4+

INSTRUCTIONS

Contents: • Gameboard • 4 Two-Ounce Cans of PLAY-DOH® Compound
• 4 Plastic Gears, Hubs and Bases • Recycle Stamper
• 4 Toy Molds (Mr. Potato Head™, Chuck the Dump Truck™, My Little Pony™ and Can of PLAY-DOH®)
• Spinner Board, base and arrow • Gift Box • Recycle Box
Adult Assembly Required.

OBJECT
Race your PLAY-DOH® toys through the Fun Factory toward the Gift Box at the end of the Fun Factory Assembly Line. Have fun moving along the gears and turning them round and round... but watch out for the Recycle Stamper! To win, be the first to get two toys into the Gift Box!

GAME SETUP

This illustration shows a 4-player game ready to play. Please refer to it as you assemble and set up your game.

ASSEMBLING YOUR GAME PARTS
Remove the game parts from their cardboard sheets and plastic wrappings. Discard the waste. Carefully detach the spinner base, arrow, and toy molds from their plastic runners. Discard the runners. If needed, use an emery board or sandpaper to remove any excess plastic from the game parts.

SPINNER ASSEMBLY

TOY MOLD ASSEMBLY

Be sure to match up the correct halves of each toy mold!

GIFT & RECYCLE BOX ASSEMBLY

Assemble the gift box as shown here. Then assemble the recycle box the same way.
Note: The recycle box has no lid.

1. Fold along all dotted lines.
2. slot
3. Fold in the side tabs, then fold up the bottom and lock in.
4. lid

GETTING READY TO PLAY

ATTACH THE GEARS TO THE BOARD

Attach each of the four gears to the gameboard as shown here. Then line them up with their outlines on the board.

Center a base under a gameboard hole with the gear facing up.
Press a gear design-side up onto the base peg, then snap it in. Make sure the base peg is centered.
Then press and snap a hub onto the gear.

MAKE YOUR TOYS!

Choose a toy mold and any color of PLAY-DOH® compound. Then make each toy as shown here. Place any extra compound back in the can and close the lid securely. Start the game with two toys on the gameboard.

Place a small wad of PLAY-DOH® compound in the open mold.
Press the mold together firmly.
Tap out your toy. Remove any excess compound and replace in the can.

Extra toys: You can have any number of toys on the board at one time, so make as many as you want! You'll also need extras to replace any toys that get recycled.
