EXTERNAL HARD DRIVE

The LifeStudio™ Mobile Plus external drive automatically finds and organizes photos, movies, music, and files into a stunning 3D wall* so you can easily view all your content from one location, plus access and post photos to Facebook™, Flickr™ and Picasa™. The included auto-sync USB key delivers ultimate flexibility for your content on-the-go.

Automatic local and online backup provide two levels of reliable protection to help keep your digital content safe. And you can access your files from any computer or smartphone using an internet browser, or share with others by sending a web link. iPad and iPhone zips are also available for an additional cost.

More than an ordinary hard drive – this is the hard drive re-invented.
