SimpleDRIVE Mini™
PORTABLE EXTERNAL DRIVE

Portability + Reliability + Style

SimpleDRIVE Mini - Portability + Reliability + Style. For everyone! Choose a color that fits your mood or personal style - Red Wine, Blue Dark or Carbon Fiber. There is a style, color and capacity for everyone all backed by Hitachi local and online backup for complete, unbeatable protection.

Looking for a reliable drive that has something more? SimpleDRIVE Mini has it! Our Carbon Fiber Mini is sleek black and glossy and like all SimpleDRIVE Minis features cool underside lighting that lets you know everything is OK. Our Red Wine and Blue Dark SimpleDRIVE Mini's are evenly smooth to the touch and have easy grip sides. Just plug one in, and inside you'll find smart ways to protect and manage all your precious stuff. Includes both local and online backup for unbeatable, total protection. With Hitachi Local Backup software, you can set up automatic backups from your computer to your SimpleDRIVE Mini, while Hitachi Ultimate Backup (2 GB free) provides secure, online backup that's safe from real world mishaps. It works in the background, for constant, real-time protection without bogging down your computer.

And who says the SimpleDRIVE Mini is just for storage? For all the photos, songs, and videos in your life, ioggie.com helps you keep track of them wherever they're stored. Online or on any drive, you'll see all your stuff on a single screen and easily share it with friends and family everywhere.

All of our SimpleDRIVE Mini's are made by Hitachi and use the same reliable Hitachi drives you have come to trust. And best of all, each SimpleDRIVE Mini powers itself off its USB 2.0 cable (no external power supply needed).
