In der Einbau-Anleitung wird für die grafische Darstellung immer der Typ FK74C verwendet. Die Angaben sind aber für alle Typen gültig.

Although illustrations of type FK74C are shown throughout these installation instructions, the details given apply for all patterns.

Dans les instructions de montage on utilise toujours le type FK74C pour les illustrations. Les indications sont néanmoins valables pour tous les types.

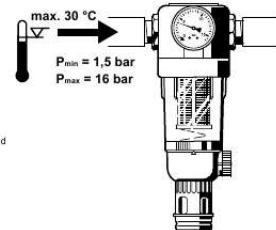

In het installatievoorschrift wordt voor de afbeeldingen steeds het type FK74C gebruikt. De aanduidingen gelden niettemin voor alle typen.

Nelle istruzioni per il montaggio ci si serve per i disegni sempre del tipo FK74C. I dettagli sono tuttavia validi per tutti i tipi.

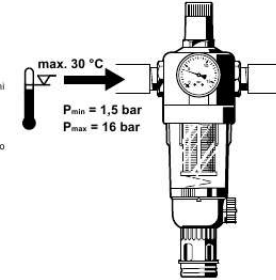

En las instrucciones de montaje se utiliza siempre el tipo FK74C para las ilustraciones. Sin embargo, las indicaciones sirven para todos los tipos.

Хотя иллюстрации к инструкции даны для фильтра FK74C, инструкция относится к обоим типам фильтров FK74C и F74C, кроме специфических.

F74C / FN74C

FK74C / FKN74C

Manual abstract:

If this is not so, the whole connection piece must be installed the other way round, even if the arrow does not then indicate the actual flow direction. If the flange is threaded, the threaded holes must be drilled out to a diameter of 6. @@@@Immediately rectify any malfunctions. @@.
