The advertisement features the ICOM logo in the top left. The main title is 'VHF MARINE TRANSCEIVER IC-M304' in white text on a red background. Below this, a large image shows the white IC-M304 transceiver with its microphone and control panel. The text 'Submersible compact body with large LCD and powerful audio' is written in yellow and orange. The background of the image is a blue sky and ocean. At the bottom, there are several feature highlights in white text on a dark blue background.

Submersible compact body with large LCD and powerful audio

Force5 Audio
Submersible
1m depth for 30 minutes

Compact and submersible
Equivalent to IPX7 (1m depth for 30 minutes, except cables).

Large easy-to-see LCD
Shows full size channel number with 4-step backlighting.

Built-in DSC
For distress calls, or for position request/position report.

New Force5Audio™ speaker
Delivers expressive audio output with powerful bass.

Favorite channel function
Offers quick channel selection from the microphone up/down buttons.

AquaQuake draining function
The vibrating "buzz" sound disassembles water away from the speaker grill.

Weather channel with weather alert
Listen for important weather broadcasts.

Dualwatch and Tri-watch functions
Monitors Ch.16 and/or call channel, while using another channel.
