**Manual abstract:**

*Large LCD with Dot-matrix Characters The IC-M421 has a full dot-matrix display with up to 168-character capability that allows you to see a host of information such as channel number, channel name, position and DSC data etc. So you can make a contact with the intended ID station or group directly or with all ships in the area. @@@@1m depth for 30 minutes; except cables. OPTIONS MB-69 FLUSH MOUNT KIT For flush-mounting the IC-M421 to a flat surface such as an instrument control panel. Loud Speaker Audio The speaker's high sound pressure level delivers loud and clear reception, even over background noise. The microphone is tuned to pick up voice, while reducing ambient noise. MB-69 HM-150B/150SW HAND MICROPHONE White and black are available. @@@@Freq. @@@@Rx Max. audio 1.*
