Manual abstract:

For over 50 years, JBL has been involved in every aspect of musical and film recording and reproduction, from live performances to monitoring the recordings you play in your home, car, or office. We're confident that the JBL system you have chosen will provide every note of enjoyment that you expected and that when you think about purchasing additional audio equipment for your home, car, or office, you will once again choose JBL. Please take a moment to complete the enclosed profile card. It enables us to keep you posted on our latest advancements, and helps us to better understand our customers and build products that meet your needs and expectations. JBL Consumer Products read first! Important Safety Precautions! CAUTION RISK OF ELECTRIC SHOCK DO NOT OPEN CAUTION: To prevent electric shock, do not remove the grounding plug on the power cord, or use any plug or extension cord that does not have a grounding plug provided. Make certain that the AC outlet is properly grounded. Do not use an adapter plug with this product. The lightning flash with arrowhead symbol, within an equilateral triangle, is intended to alert the user to the presence of uninsulated "dangerous voltage" within the product's enclosure that may be of sufficient magnitude to constitute a risk of electric shock to persons. @@Read Instructions. @@2.

Retain Instructions. The safety and operating instructions should be retained for future reference. 3. Heed Warnings. All warnings on the product and in the operating instructions should be adhered to.

4. Follow Instructions. All operating and use instructions should be followed. 5. Water and Moisture.

The product should not be used near water for example, near a bathtub, washbowl, kitchen sink, laundry tub, in a wet basement, or near a swimming pool, and the like. 6. Accessories. @@@@Use only with a cart, stand, tripod, bracket, or table recommended by the manufacturer, or sold with the product. Any mounting of the product should follow the manufacturer's instructions, and should use a mounting accessory recommended by the manufacturer. 7. Wall or Ceiling Mounting. The product should be mounted on a wall or ceiling only when and as recommended by the manufacturer. 8. Ventilation.

@@@@@@9. Heat. @@@@10. Power Sources. @@If you are not sure of the type of power supply to your home, consult your product dealer or local power company. For products intended to operate from battery power, or other sources, refer to the operating instructions. 11. Grounding or Polarization. This product may be equipped with a polarized alternating-current line plug (a plug having one blade wider than the other). This plug will fit into the power outlet only one way.

This is a safety feature. If you are unable to insert the plug fully into the outlet, try reversing the plug. If the plug should still fail to fit, contact your electrician to replace your obsolete outlet. Do not defeat the safety purpose of the polarized plug. 12.

Power-Cord Protection. Powersupply cords should be routed so that they are not likely to be walked on or pinched by items placed upon or against them, paying particular attention to cords at plugs, convenience receptacles, and the point where they exit from the product. 13. Cleaning. Unplug this product from the wall outlet before cleaning.

Do not use liquid cleaners or aerosol cleaners. Use a damp cloth for cleaning. 14. Nonuse Periods. @@15. Lightning. @@@@Overloading. @@17. Object and Liquid Entry. @@Never spill liquid of any kind on the product.

18. Damage Requiring Service. @@The power-supply cord or the plug has been damaged; or b. @@The product has been exposed to rain or water; or d. @@@@The product has been dropped, or the enclosure damaged; or f. @@19. Attachments. @@20. Replacement Parts. @@@@21.

Safety Check. @@22. Servicing. Do not attempt to service this product yourself, as opening or removing covers may expose you to dangerous voltage or other hazards. Refer all servicing to qualified service personnel.

Part No. JBLULA 6/96 included Two satellite speakers. One 150-watt powered subwoofer. One sat20 center speaker with removable wall-mounting bracket. One pair of sat20 surround speakers with removable wall-mounting brackets.

features · Dolby* Digital Ready · 2-way satellite and surround speakers with 3/4" titanium composite dome highfrequency drivers · 150-watt powered bass reflex with dual 8" drivers · Adjustable, removable wallmounting brackets (for use with surround speakers) · Video-shielded satellites · Recessed wire channels on satellites and surrounds · Diffraction-limiting foam satellite baffles one.
