Manual abstract:

@@ Be sure to ground this unit to the car's chassis again after installation. It is recommended to connect to the speakers with maximum power of more than 50 W (both at the rear and at the front, with an impedance of 4 to 8). If the maximum power is less than 50 W, change "AMP GAIN" setting to prevent the speakers from being damaged (see page 15 of the INSTRUCTIONS). @@ The heat sink becomes very hot after use. Be careful not to touch it when removing this unit. @@@@The following parts are provided for this unit. If any item is missing, consult your JVC IN-CAR ENTERTAINMENT dealer immediately. The following illustration shows a typical installation. If you have any questions or require information regarding installation kits, consult your JVC IN-CAR ENTERTAINMENT dealer or a company supplying kits. @@Before removing the unit, release the rear section.

@@@@@@@@@If longer screws are used, they could damage the unit. @@@@ Contact your authorized car dealer before installing this unit. @@View from the lead side Vue à partir du côté des fils Incorrect connection may cause serious damage to this unit. The leads of the power cord and those of the connector from the car body may be different in color. @@@@@@Connectez le fil de commande à distance (bleu avec bande blanche) au fil de commande à distance de l'autre appareil de façon qu'il puisse être commandé via cet appareil.

You can connect an amplifier to upgrade your car stereo system. Connect the remote lead (blue with white stripe) to the remote lead of the other equipment so that it can be controlled through this unit. @@Leave the speaker leads of this unit unused. Remote lead Fil d'alimentation à distance Remote lead (blue with white stripe) Fil d'alimentation à distance (bleu avec bande blanche) To the remote lead of other equipment or power aerial if any Au fil de télécommande de l'autre appareil ou à l'antenne automatique s'il y en a une Signal cord (not supplied for this unit) Cordon de signal (non fourni avec cet autoradio) *3 Firmly attach the ground wire to the metallic body or to the chassis of the car--to the place uncoated with paint (if coated with paint, remove the paint before attaching the wire). Power cannot be turned on.

Noise interfere with sounds. @@This unit does not work at all. * Have you reset your unit? .
