Manual abstract:

@@CAUTION: Do not open the top cover. @@ 3. CAUTION: Visible and/or invisible class 1M laser radiation when open. Do not view directly with optical instruments. Warning: Stop the car before operating the unit. Caution: Battery Products Adjust the volume so that you can hear sounds outside the car. Driving with the volume too high may cause an accident. Avoid using the USB device or iPod/iPhone if it might hinder driving safety. Information for Users on Disposal of Old Equipment and Batteries [European Union only] These symbols indicate that the product and the battery with this symbol should not be disposed as general household waste at its end-of-life. If you wish to dispose of this product and the battery, please do so in accordance with applicable national legislation or other rules in your country and municipality.

By disposing of this product correctly, you will help to conserve natural resources and will help prevent potential negative effects on the environment and human health. Notice: The sign Pb below the symbol for batteries indicates that this battery contains lead. Caution on volume setting: Digital devices (CD/USB) produce very little noise compared with other sources. Lower the volume before playing these digital sources to avoid damaging the speakers by the sudden increase of the output level. Temperature inside the car: If you have parked the car for a long time in hot or cold weather, wait until the temperature in the car becomes normal before operating the unit.

Condensation: When the car is air-conditioned, moisture may collect on the laser lens. This may cause disc read errors. In this case, remove the disc and wait for the moisture to evaporate. 4 Canceling the display demonstration Setting the clock Basic operations . How to forcibly eject a disc (Hold) Be careful not to drop the disc when it ejects.

If this does not work, reset your unit. 19 Maintenance Cleaning the unit Wipe off the dirt on the panel with a dry silicon or soft cloth. Failure to observe this precaution may result in damage to the unit. @@< > indicates the displays on the control panel. [XX] indicates the initial setting of a menu item. @@ use a cotton swab or cloth. @@(Hold) Source Radio Display Non-Radio Data System station: Frequency Clock FM Radio Data System station: Station name (PS) Frequency Programme type (PTY) Clock (back to the beginning) Album title/Artist Track title* Track no. /Playing time Track no. /Clock (back to the beginning) * "NO NAME" appears for conventional CDs or if not recorded. eXT MODE BT AUDIO Clock Clock Clock F-AUX or R-AUX CD/USB iPod/iPhone (HEAD MODE/ IPOD MODE) *1 iPod/iPhone (EXT MODE) *1 External Components (AUX) Bluetooth Audio *1 For KD-R531 only.*
