**WARNINGS / AVERTISSEMENTS**

- You must read all instructions before attempting to install or use your JVC KD-R53. FAILURE TO READ OR TO FOLLOW INSTRUCTIONS MAY CAUSE PERSONAL INJURY OR PROPERTY DAMAGE.
- The unit can only be installed inside the CD case. Do not attempt to install it elsewhere.
- Disconnect the battery, unplug the terminal and make all electrical connections before making the unit.
- Connect speakers with matching polarity to the speaker terminals. Check the polarity of the speaker wires. See page 15 of the INSTALLATION.
- Double check the connections before turning on the power. Turn on the unit and check the sound. If the sound is not as expected, turn off the power and check the connections.
- If the unit does not make any sound, check the power source, the speaker wires, and the speaker terminals. If the unit still does not make any sound, check the speaker wires and the speaker terminals.
- Use the correct fuse for the unit.
- Mount the unit so that the mounting angle is 30° or less.
- Do not connect the unit to a car stereo system after installation.
- After the unit is installed, check whether the brake lights, blinkers, wipers, etc. are working properly.
- Do not touch the metal part of the unit during and after the use of the unit. Metal part such as the front and enclosure becomes hot.

**PRECAUTIONS on power supply and speaker connections**

- DO NOT connect the speaker leads to the power source or the battery otherwise, the unit will be damaged.
- DO NOT connect the speaker leads of the power source to the speakers, the speaker wiring is poor.

**PRECAUTIONS sur l'alimentation et la connexion des enceintes**

- NE CONNECTEZ PAS les fils des enceintes à la source d'alimentation ou à la batterie, sinon, l'appareil sera endommagé.
- NE CONNECTEZ PAS les fils des enceintes de la source d'alimentation aux enceintes, car les câbles des enceintes sont de mauvaise qualité.

**INSTALLATION / INSTALLATION**

**In dash mounting / Montage encastré**

1. Push the unit into the dash.
2. Tighten the screws.
