Discover high-capacity,
low-cost removable digital storage.

One of the world's most popular digital mass storage devices, CompactFlash® memory cards from Kingston® bridge the gap between hungry storage requirements and affordability. Users of digital cameras, PDAs and other digital devices can quickly and easily download or transfer digital files between various digital devices and the Internet, using a card that easily fits in the palm of the hand.

With the speed of a memory chip, Kingston's CompactFlash memory cards offer greater storage than many other media cards, at a fraction of the cost. They're available in a variety of capacities up to 8GB, so users are sure to find the right size to fit their needs. All cards are backed by a lifetime warranty and legendary Kingston reliability.
