**Kingston DataTraveler 101**  
kingston.com/flash

High capacity in a compact, swivel design.

Kingston's family of convenient, compact and reliable DataTraveler® USB flash drives just got bigger with the addition of the DataTraveler 101.

With capacities up to 16GB, DataTraveler 101 contains room for high-definition photos, graphics-intensive documents, videos, spreadsheets, presentations, term papers, and music that can be stored and retrieved in a flash.

Sleek, practical, and attractively designed, the affordable DataTraveler 101 serves the needs of the budget-conscious user as well as those looking for significant storage capacity in a lightweight, compact design. It features a capless, swivel design for added functionality and ease of use and is available in cyan, pink and yellow.

DataTraveler 101 is backed by legendary Kingston® reliability plus a five-year warranty and 24/7 tech support.
