Color your portable world.

Introducing Kingston's DataTraveler® 102 for quick and convenient storage, sharing and transferring of data. In capacities up to 32GB, the new DataTraveler 102 can store your favorite photos, music, school assignments and reports. It lets you carry all of your data with you, making it ideal for the office, home, school and wherever you travel.

DataTraveler 102 comes with uDrive™ preloaded software that gives you a new and exciting way to look at your data. When you launch the software, the uDrive interface pops up like a desktop for your USB. It features drag and drop and double-click capabilities to help organize all your files, photos, videos, music and more. It's easy to use and even includes a built-in Photo Viewer and mp3 player, plus a 2GB online backup account to keep your important files secure online.

Available in four fun colors by capacity, DataTraveler 102 is backed by a five-year warranty, 24/7 tech support and legendary Kingston® reliability.
