Simplify your portable storage.

Kingston's family of convenient, compact and reliable DataTraveler® USB Flash Drives just got bigger with the addition of the DataTraveler 110. Storing, transferring and carrying files has never been simpler. With capacities up to 8GB, DataTraveler 110 contains room for high-definition photos, graphics-intensive documents, videos, spreadsheets, presentations, term papers, and music that can be stored and retrieved in a flash.

Sleek, practical and attractively designed, the affordable DataTraveler 110 serves the needs of the budget-conscious user as well as those looking for significant storage capacity in a lightweight, compact design. DataTraveler 110 features a retractable USB connector for ease of use and safe housing and is available in 1GB (purple), 2GB (blue), 4GB (red), and 8GB (green).

Backed by a five-year warranty, 24/7 tech support and legendary Kingston® reliability, DataTraveler 110 is a reliable, inexpensive solution for carrying digital files with you wherever your travels may take you.
