PRODUCT DISCONTINUED – FOR INFORMATION ONLY
Password protection meets high capacity.

Kingston's new DataTraveler® 300 is a convenient way to store, carry and transfer files. With its 256GB capacity, DataTraveler 300 contains plenty of room for storing photos, music and important files. Secure data with Password Traveler software, which allows you to create and access a password-protected, secure area of the drive called a "Privacy Zone".

DataTraveler 300 offers fast speeds so you can spend less time copying and transferring files. Its fast data access means you can play high-quality movies directly from the drive or quickly copy data to a host device. DataTraveler 300 is perfect for those who need significant storage capacity and data protection in a lightweight, durable design. With a retractable USB connector, the DataTraveler 300 is ideal for home or business.

DataTraveler 300 is backed by legendary Kingston® reliability plus a five-year warranty and 24/7 tech support.
