HyperX performance, capacity and style in a USB drive.

Power users have long known HyperX™ as the innovative brand from Kingston. Technology and the new DataTraveler® HyperX 3.0 Flash drive continues this tradition by featuring the fastest speeds and largest capacity Kingston® offers for portable storage.

Featuring a high-speed 8-channel architecture that provides USB 3.0 data transfer speeds with capacities up to 256GB, DataTraveler HyperX 3.0 is the perfect solution for expanding a notebook's storage and for quickly storing, transferring and backing up any digital lifestyle. Users will save time associated with opening and transferring large files and applications between devices.

DataTraveler HyperX is covered by a five-year warranty and legendary Kingston reliability.

- > USB 3.0 speed
- > Capacities up to 256GB
