Portable storage that carries on the Kingston tradition of quality.

With capacities up to 32GB, the reliable DataTraveler® Generation 3 (G3) is ideal for your important documents, music, video clips and favorite photos that can be stored and retrieved in a flash. Available in three fun colors by capacity, it's a perfect fit for the office, home, school and wherever you travel. A well-built cap protects the USB plug and your data. It comes preloaded with uDrive™ software that pops up like a desktop for your drive. uDrive offers easy-to-use file management that helps with file search, folder creation, renaming, sorting and capacity tracking. It also has a built-in Photo Viewer, Web browser, music player and online storage. DataTraveler G3 also makes a great promotional item for your organization; it's simple to add your logo to increase brand recognition. DataTraveler G3 is backed by legendary Kingston® reliability plus a five-year warranty.
