**Makes portable storage a lot more fun.**

A Kingston® device has returned — the DataTraveler® Mini Fun is now in its second generation. Express your personality with the new DataTraveler Mini Fun.

DataTraveler Mini Fun G2 features a mini design in cool Fun colors, which makes it ideal for home, school and travel. It's perfect for your important documents, music, video clips and favorite photos that can be stored and retrieved in a flash. This fashionable accessory features a rugged silicon rubber housing that can attach to a backpack or bag. Collect them to mix and match colors and snap together to create original flashers. You'll want to take your Mini with you wherever you go.

DataTraveler Mini Fun G2 is backed by legendary Kingston reliability plus a five-year warranty and 24/7 technical support.
