**Ultimate performance expands new worlds.**

Kingston's DataTraveler® Ultimate 3.0 features the latest technology for USB Flash drives, making it ideal for early adopters who want to take advantage of all the performance improvements offered by USB 3.0 right away.

This drive is the perfect solution for easily viewing and quickly transferring all your documents, files, photos, HD video, and more. It's exceptionally fast and easy to let you keep data with you wherever you go.

USB 3.0 offers the same ease-of-use and plug-and-play capabilities as previous generations of USB technologies but with a performance increase and better power management. This USB 3.0 drives backwards compatible with USB 2.0.

DataTraveler Ultimate 3.0 is backed by 24/7 tech support, a five-year warranty and legendary Kingston® reliability.

**Great uses for USB 3.0**  
 HD video  
 System and data backup  
 Adobe applications (Photoshop, Premiere, Light Room)  
 AutoCAD  
 Movie downloads  
 and many more
