Manual abstract:

www.kodak.com/go/support 1 Setting up your camera Attaching the strap Loading the battery Ni-MH (rechargeable) CRV3 lithium (non-rechargeable) 2 AA (rechargeable or non-rechargeable) For battery types, see page 58. To extend battery life, see page 61. www.kodak.

com/go/support 1 Setting up your camera Turning on the camera Setting the language, date/time 1 2 OK to change. for previous/next field. to accept. OK (press) 2 www.kodak.com/go/support Setting up your camera Setting the language, date/time at other times 1 2 3 Press Menu. to highlight Setup Menu then press OK. to highlight Language or Date/Time , then press OK. Storing pictures on an SD or MMC card Your camera has 32 MB of internal memory. You can purchase an SD or MMC card to conveniently store more pictures and videos.

NOTE: When using the card for the first time, format the card in this camera before taking pictures (see page 39). We recommend Kodak SD or MMC cards. SD/MMC card slot Notched corner SD/MMC card (optional) CAUTION: A card can only be inserted one way; forcing it may cause damage. Inserting or removing a card when the Ready light is blinking may damage the pictures, the card, or the camera. See page 59 for storage capacities.

Purchase SD or MMC cards at a dealer of Kodak products or at www.kodak.com/go/c653accessories or www.kodak.com/go/c623accessories.

www.kodak.com/go/support 3 2 Taking pictures/videos Picture-taking modes Choose the mode that best suits your subjects and surroundings. Use this mode Auto For General picture-taking--offers an excellent balance of image quality and ease of use. Anti-Blur Minimizing the effects of camera shake and subject movement. Close-up Close range. Use available light instead of flash if possible. The camera automatically sets the focus distance depending on the zoom position. SCN Scene Video Point-and-shoot simplicity when taking pictures under special conditions. (See page 5.

) Capturing video with sound. (See page 4.) 4 www.kodak.com/go/support Taking pictures/videos Scene modes 1 Turn the Mode dial to Scene . 2 Press to display Scene mode descriptions. NOTE: If the Help text turns off, press the OK button. 3 Press the OK button to choose a Scene mode. Use this For SCN mode Hi-ISO Portrait Panorama Left-Right Panorama Right-Left Landscape Sport Night Portrait Night Landscape Snow Beach Text Fireworks Flower Manner/ Museum Low-light conditions using a higher ISO. Full-frame portraits of people.

Stitching up to 3 captured images from left to right into one image. Stitching up to 3 captured images from right to left into one image. Far-away scenes. The camera uses infinity auto-focus. Auto-focus framing marks are not available in Landscape.

Subjects in motion. Reducing red eye of people in night scenes or low-light conditions. Place the camera on a flat, steady surface or use a tripod. Distant scenery at night. Flash does not fire.

Place the camera on a flat, steady surface or use a tripod. Bright snow scenes. Bright beach scenes. Documents. Focus is set to Auto Focus (see page 35). Bright, colorful light displays. Flash does not fire. Place the camera on a flat, steady surface or use a tripod. Close-ups of flowers or other small subjects in bright light. Focus is set to Auto Focus (see page 35).

Quiet occasions, like a wedding or lecture. Flash and sound are disabled. www.kodak.com/go/support 5 Taking pictures/videos Use this For SCN mode SelfPortrait Children Close-ups of yourself. Assures proper focus and minimizes red eye. Action pictures of children in bright light. Candle light Capturing the ambiance of candle light. Backlight Subjects that are in shadow or "backlit" (when light is behind the subject). Sunset Capturing the deep hues seen at sunset.

6 www.kodak.com/go/support Taking pictures/videos Taking a picture 1 2 3 LCD/Info Use the LCD or viewfinder. Press to turn on/off: · LCD (LCD off to use viewfinder) · Status icons · Framing grid · Help (when in Menu) Press the Shutter button halfway to focus and set exposure. When the Ready light turns green, press the Shutter button completely down.

Using the framing marks to take pictures Framing marks indicate the camera focus area. The camera attempts to focus on foreground subjects, even if the subjects are not centered in the scene. Framing marks 1 Press the Shutter button halfway. When the framing marks turn green, focus is accomplished. 2 If the camera is not focusing on the desired subject (or if the framing marks disappear), release the Shutter button and recompose the scene.

3 Press the Shutter button completely down to take the picture. NOTE: Framing marks do not appear in Landscape, Night Landscape, Fireworks, or Video mode. When you use Focus Zone and set Center Zone, the framing marks are fixed at Center Wide. www.kodak.com/go/support 7 Taking pictures/videos Taking a video 1 2 Press the Shutter button completely down and release. To stop recording, press and release the Shutter button again. Reviewing the picture/video just taken After you take a picture or video, the LCD displays a quickview for approximately 10 seconds. If you press no buttons, the picture or video is saved. Tag a picture/video for email or as a favorite, or tag a picture for print.

If you press no buttons, the picture/ video is saved.

Delete Play a video. to adjust volume.) (To review pictures/videos anytime, see page 17. 8 www.kodak.com/go/support Taking pictures/videos Understanding blur warning icons A pictuose Camera takes up to 3 pictures while the Shutter button is Capture an expected pressed. event. Burst All the pictures are saved. Example: A person swinging a golf club.

1 In most Still modes, press the Self-timer/Burst button NOTE: Burst is unavailable in Anti-Blur, Hi-ISO, and Panorama modes. . 2 Press the Shutter button halfway to focus and set exposure. 3 Press the Shutter button completely down and hold it to take pictures. The camera stops taking pictures when you release the Shutter button, when the pictures are taken, or when there is no more storage space.

NOTE: During quickview, you can delete all pictures in the burst series. To delete selectively, do so in Review (see page 11). Using the framing grid to compose a picture The framing grid divides the LCD into thirds--vertically and horizontally. This is helpful if, for example, you want to balance a picture between water, earth, and sky. To turn on the framing grid in Capture mode, press the LCD/Info button until the grid appears.

www.kodak.com/go/support 13 Taking pictures/videos Using exposure compensation to adjust picture brightness In Auto, Landscape, Close-up, or Panorama mode, you can adjust exposure compensation before you take a picture to make your pictures darker or lighter. Only the first image in Panorama mode is adjusted. 1 Press 2 Press to decrease exposure compensation. to increase exposure compensation. An exposure compensation level between -2.0 and +2.0 is shown on the LCD as the LCD image gets darker or lighter. 3 Take the picture when you are satisfied with the exposure compensation level.

Using camera Help Use the camera Help screen to better understand menu options when the User's Guide is not readily available, and you need to obtain information quickly. The Help screen operates when you are in the main menu or in most submenu selections. repeatedly to Press obtain screen Help. 14 www.kodak.com/go/support Taking pictures/videos Taking panoramic pictures Use panorama to "stitch" up to 3 pictures into a panoramic scene. NOTE: For best results, use a tripod. Individual pictures are saved only when panorama capture is cancelled before stitching occurs. (Picture size is set to 3.1 MP for each picture.

Exposure and white balance are set with the first picture. The flash is set to Off.) 1 Turn the Mode dial to SCN. 2 Press on the 4-way button to highlight Panorama Left-Right or Panorama Right-Left (depending on the direction you want to pan), then press the OK button. 3 Take the first picture.

After a quickview, the LCD displays the liveview and an "overlay" from the first picture. 4 Compose the second picture. Make the overlay from the first picture cover the same portion in the new picture. (You may press the Delete button to delete each panorama picture you took.) 5 If you are taking only 2 pictures, press the OK button to stitch them together.

After you take 3 pictures, the pictures are automatically stitched together. 1 2 3 Take 2 or 3 pictures. Get 1 panoramic picture. About View camera information. www.kodak.com/go/support 39 Doing more with your camera Pre-tagging for album names Use the Set Album (Still or Video) feature to pre-select album names before you take pictures or videos.

First--on your computer Use the EasyShare software that was packaged with your camera to create album names on your computer. The next time you connect the camera to the computer, copy up to 32 albums to the album name list. See EasyShare software Help for details. Second--on your camera 1 In any mode, press the Menu button. 2 Press to highlight Set Album , then press the OK button. 3 Press to highlight an album name, then press the OK button. Repeat to mark pictures or videos for albums. Selected albums are noted with a check mark. 4 To remove a selection, highlight an album name and press the OK button. To remove all album selections, select Clear All.
5 Highlight Exit, then press the OK button. Your selections are saved. If you turn on the LCD, your album selection is displayed on the screen. A plus (+) after the album name means more than one album is selected. 6 Press the Menu button to exit the menu.
Third--transfer to your computer When you transfer the tagged pictures or videos to your computer, EasyShare software opens and categorizes your pictures in the appropriate album. See EasyShare software Help for details. 40 www.kodak.com/go/support Doing more with your camera Tagging pictures/videos for albums Use the Album feature in Review mode to tag the pictures/videos in your camera with album names.
First--on your computer Use EasyShare software to create albums on your computer, then copy up to 32 album names to the camera's internal memory. See EasyShare software Help for details. Second--on your camera 1 Press the Review button, then locate the picture or video. 2 Press the Menu button. 3 Press 4 Press to highlight Album , then press the OK button. to highlight an album folder, then press the OK button. 5 To add other pictures to the same album, press to scroll through the pictures. When the picture you want is displayed, press the OK button. 6 To add the pictures to more than one album, repeat step 4 for each album. The album name appears with the picture.

A plus (+) after the album name means the picture was added to more than one album. To remove a selection, highlight an album name and press the OK button. To remove all album selections, select Clear All. Third--transfer to your computer When you transfer the tagged pictures/videos to your computer, EasyShare software opens and categorizes your pictures/videos in the appropriate album folder. See EasyShare software Help for details. www.kodak.com/go/support 41 Doing more with your camera Sharing your pictures Press the Share button to tag your pictures and videos. When they are transferred to your computer, you can share them. Use the Share button: I I I Any time.
(The most recent picture/video taken is then displayed.) Just after you take a picture/video, during quickview. After pressing the Review button. Tagging pictures for printing 1 Press the Share button. Press 2 Press to highlight Print to locate a picture.
, then press the OK button.* 3 Press to select the number of copies (0-99). Zero removes the tag for that picture. Optional: You can apply a print quantity to other pictures. Press to locate a picture.
Press to change the print quantity. Repeat until the desired print quantity is applied to pictures. 4 Press the OK button. The Print icon appears in the status area. 5 Press the Share button to exit the menu. * To tag all pictures in the storage location, highlight Print All, press the OK button, then indicate the number of copies. Print All is not available in quickview. To remove print tagging for all pictures in the storage location, highlight Cancel Prints, then press the OK button. Cancel Prints is not available in quickview. Printing tagged pictures When you transfer the tagged pictures to your computer, the Kodak EasyShare software print screen opens.

For details, click the Help button in EasyShare software. For more information on printing from your computer, printer dock, PictBridge enabled printer, or card, see page 30. 42 www.kodak.com/go/support Doing more with your camera NOTE: For the best 4 x 6 in. (10 x 15 cm) prints, set the camera to the 5.4 MP (3:2) picture size setting. (See page 33.) Tagging pictures and videos for emailing First--on your computer Use Kodak EasyShare software to create an email address book on your computer. Then copy up to 32 email addresses to the camera's internal memory.
For details, click the Help button in EasyShare software. Second--tag pictures/videos on your camera 1 Press the Share button. Press to locate a picture/video. 2 Press to highlight Email , then press the OK button. The Email icon appears in the status area.
3 Press to highlight an email address, then press the OK button. to scroll through 4 To tag other pictures/videos with the same address, press them. When the picture you want is displayed, press OK. 5 To send the pictures/videos to more than one address, repeat step 3 for each address. Selected addresses are checked.
6 To remove a selection, highlight a checked address and press the OK button. To remove all email selections, highlight Clear All. 7 Press to highlight Exit, then press the OK button. 8 Press the Share button to exit the menu. Third--transfer and email When you transfer the tagged pictures/videos to your computer, the Email screen opens and lets you send them to the addresses you specified. For details, click the Help button in Kodak EasyShare software. www.kodak.com/go/support 43 Doing more with your camera Tagging pictures as favorites You can preserve your favorite pictures in the Favorites section of your camera's internal memory, then share them with friends and family. NOTE: When you transfer pictures from your camera to your computer, all pictures (including favorites) are stored on your computer at full size.

Favorite pictures - smaller copies of your originals - are loaded back to your camera, so you can share and enjoy more.

1. Tag pictures as 1 Press the Share button. Press to locate a picture. favorites 2 Press to highlight Favorite , then press the OK button. The Favorite icon appears in the status area. To remove the tag, press the OK button again. Press the Share button to exit the menu. 1 To enjoy all the available features, load and use the EasyShare software that was packaged with this camera. (See page 28.

) 2. Transfer pictures to your computer 2 Connect the camera to the computer using the USB cable (see page 29) or an EasyShare dock. The first time you transfer pictures, the software helps you make choices about your favorite pictures. Then, your pictures are transferred to the computer. Favorite pictures (smaller versions of the originals) are loaded to the Favorites section of your camera's internal memory.

3. View favorites 1 Turn the Mode dial to Favorites . on your camera 2 Press to scroll through favorites. NOTE: The camera holds a limited number of favorites. Use Camera Favorites in the EasyShare software to customize the size of your camera Favorites section.

Videos tagged as favorites remain in the Favorites folder in EasyShare software. For details, click the Help button in EasyShare software. 44 www.kodak.com/go/support Doing more with your camera Optional settings In Favorites mode, press the Menu button to access optional settings. Slide Show (page 23) Multi-up (page 18) Remove favorites (page 45) Setup Menu (page 37) NOTE: Pictures taken at the 5.4 MP (3:2) picture size setting are displayed at a 3:2 aspect ratio with a black bar at the top and bottom of the screen. Removing favorites from your camera 1 Turn the Mode dial to Favorites 2 Press the Menu button. 3 Highlight Remove Favorites , then press the OK button. All pictures stored in the Favorites section of internal memory are removed.

Favorites are restored the next time you transfer pictures to the computer. 4 Press the Menu button to exit the menu. Preventing favorites from transferring to the camera 1 Open Kodak EasyShare software. Click the My Collection tab. 2 Go to the Albums view. 3 Click the Camera Favorites Album for your camera. 4 Click Remove Album. The next time you transfer pictures from your camera to the computer, use the Camera Favorites Wizard/Assistant to either recreate your Camera Favorites Album or to turn off the Camera Favorites feature. . www.

kodak.com/go/support 45 Doing more with your camera Printing and emailing favorites 1 Turn the Mode dial to Favorites 2 Press the Share button. 3 Highlight Print or Email , then press the OK button. NOTE: Favorites that were taken on this camera (not imported from another source) are good for prints up to 4 x 6 in. (10 x 15 cm).

com/go/support 59 Appendix Important safety instructions CAUTION: Do not disassemble this product; there are no user-serviceable parts inside. Refer servicing to qualified service personnel. Kodak AC adapters and battery chargers are intended for indoor use only. The use of controls, adjustments, or procedures other than those specified herein may result in exposure to shock and/or electrical or mechanical hazards. If the LCD breaks, do not touch the glass or liquid. Contact Kodak customer support. I I I I I I I I I I The use of an accessory that is not recommended by Kodak may cause fire, electric shock, or injury. For approved accessories, visit www.kodak/go/accessories. Use only a USB-certified computer equipped with a current-limiting motherboard. Contact your computer manufacturer if you have questions. If using this product in an airplane, observe all instructions of the airline. When removing the battery, allow it to cool; it may be hot. Read and follow all warnings and instructions supplied by the battery manufacturer. Use only batteries approved for this product to avoid risk of explosion.

Keep batteries out of the reach of children. Do not allow batteries to touch metal objects, including coins. Otherwise, a battery may short circuit, discharge energy, become hot, or leak. Do not disassemble, install backward, or expose batteries to liquid, moisture, fire, or extreme temperature. Remove the battery when the product is stored for an extended period of time.

In the unlikely event that battery fluid leaks inside the product, contact Kodak customer support. In the unlikely event that battery fluid leaks onto your skin, wash immediately with water and contact your local health provider. For additional health-related information, contact your local Kodak customer support. www.kodak.com/go/support I 60 Appendix I I Dispose of batteries according to local and national regulations. Visit www.kodak.com/go/kes. Do not charge non-rechargeable batteries.

For more information on batteries, see www.kodak.com/go/batterytypes. Battery life Use these Kodak batteries. (Battery types are also molded into the battery door.) CRV3 lithium battery AA (2) lithium batteries Ni-MH rechargeable digital camera battery (per charge) AA (2) Ni-MH rechargeable batteries (per charge) AA (2) oxy-alkaline non-rechargeable batteries AA (2) alkaline non-rechargeable batteries 0 200 - 300 500 - 700 500 - 700 300 - 500 300 - 500 100 - 200 400 700 Approximate number of pictures in Auto mode (CIPA testing method using 128 MB SD card) For acceptable battery life, and to make sure your camera operates dependably, use the batteries listed. Actual battery life may vary based on usage. www.kodak.com/go/support 61 Appendix Extending battery life I I See Auto Power Off (see page 38).

Limit the following activities that quickly deplete battery power: Reviewing your pictures on the LCD (see page 17) Using the LCD as a viewfinder (see page 7) Excessive use of the flash I I Dirt on the battery contacts can affect battery life. Wipe the contacts with a clean, dry cloth before loading batteries in the camera. Battery performance is reduced at temperatures below 41° F (5° C). When using your camera in cold weather, carry spare batteries and keep them warm. Do not discard cold batteries that do not work; when they return to room temperature, they may be usable.

Upgrading your software and firmware Download the latest versions of the software included on the Kodak EasyShare software CD and the camera firmware (the software that runs on the camera). See www.kodak.com/go/c653downloads or www.kodak.

com/go/c623downloads. Care and maintenance I I If you suspect water has gotten inside the camera, remove the battery and card. Allow all components to air-dry for at least 24 hours before using the camera. Blow gently on the lens or LCD to remove dust and dirt. Wipe gently with a soft, lint-free cloth or an untreated lens-cleaning tissue. Do not use cleaning solutions unless designed specifically for camera lenses. Do not allow chemicals, such as suntan lotion, to contact painted surfaces. Service agreements may be available in your country. Contact a dealer of Kodak products for more information. For digital camera disposal or recycling information, contact your local authorities.

www.kodak.com/go/support I I 62 Appendix In the US, visit the Electronics Industry Alliance Web site at www.eiae.org or the Kodak Web site at www.kodak.com/go/c653support or www.kodak.com/go/c623support. Warranty Limited warranty Kodak warrants Kodak consumer electronic products and accessories ("Products"), excluding batteries, to be free from malfunctions and defects in both materials and workmanship for one year from the date of purchase.

Retain the original dated sales receipt. Proof of the date of purchase will be required with any request for warranty repair. Limited warranty coverage Warranty service is only available from within the country where the Products were originally purchased. You may be required to ship Products, at your expense, to the authorized service facility for the country where the Products were purchased. @@@@@@@@If replacement parts are used in making repairs, those parts may be remanufactured, or may contain remanufactured materials.

If it is necessary to replace the entire Product, it may be replaced with a remanufactured Product. Remanufactured Products, parts and materials are warranted for the remaining warranty term of the original Product, or 90 days after the date of repair or replacement, whichever is longer. www.kodak.com/go/support 63 Appendix Limitations This warranty does not cover circumstances beyond Kodak's control.

This warranty does not apply when failure is due to shipping damage, accident, alteration, modification, unauthorized service, misuse, abuse, use with incompatible accessories or attachments (such as third party ink or ink tanks), failure to follow Kodak's operation, maintenance or repacking instructions, failure to use items supplied by Kodak (such as adapters and cables), or claims made after the duration of this warranty. Kodak makes no other express or implied warranty for this product, and disclaims the implied warranties of merchantability and fitness for a particular purpose. In the event that the exclusion of any implied warranty is ineffective under the law, the duration of the implied warranty will be one year from the purchase date or such longer period as required by law. The option of repair, replacement, or refund is Kodak's only obligation. Kodak will not be responsible for any special, consequential or incidental damages resulting from the sale, purchase, or use of this product regardless of the cause. Liability for any special, consequential or incidental damages (including but not limited to loss of revenue or profit, downtime costs, loss of the use of the equipment, cost of substitute equipment, facilities or services, or claims of your customers for such damages resulting from the purchase use or failure of the Product), regardless of cause or for breach of any written or implied warranty is expressly disclaimed. Your rights Some states or jurisdictions do not allow exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. Some states or jurisdictions do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you. This warranty gives you specific rights, and you may have other rights which vary from state to state or by jurisdiction. 64 www.

kodak.com/go/support Appendix Outside the United States and Canada In countries other than the United States and Canada, the terms and conditions of this warranty may be different. Unless a specific Kodak warranty is communicated to the purchaser in writing by a Kodak company, no warranty or liability exists beyond any minimum requirements imposed by law, even though defect, damage, or loss may be by negligence or other act. Regulatory compliance FCC compliance and advisory Kodak EasyShare C653/C623 zoom digital camera This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed or used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures: 1) reorient or relocate the receiving antenna; 2) increase the separation between the equipment and the receiver; 3) connect the equipment to an outlet on a circuit different from that to which the receiver is connected; 4) consult the dealer or an experienced radio/TV technician for additional suggestions. Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment. Where shielded www.
